

HOLA FAMILIAS.

Como el tiempo de confinamiento se está alargando más de lo que esperábamos, os mando una serie de actividades que podéis trabajar en casa.

Son ideas que os pueden servir para saber cómo podéis trabajar algunos conceptos de matemáticas y lengua con los niños/as.

No es necesario que las imprimáis. En cualquier libreta que tengáis por casa o en cualquier folio, podéis ponerles ejercicios de este tipo

Es muy **importante** que **LEAN** todos los días.

También os he mandado unas imágenes con recursos para poder hacer en casa

Espero que os sean de gran utilidad.

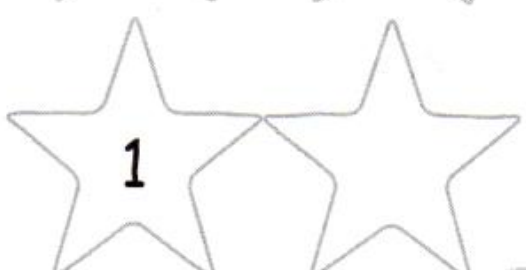

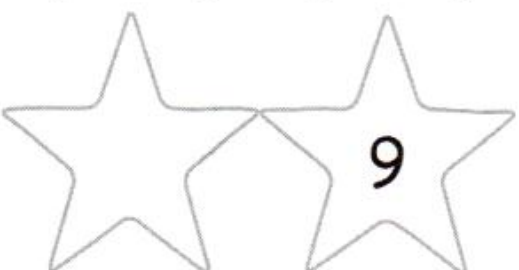

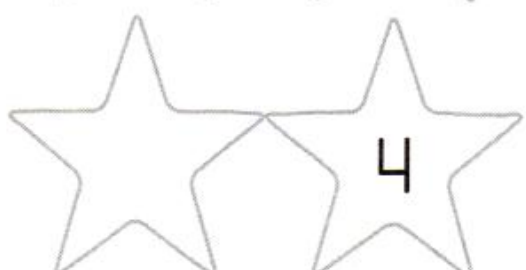

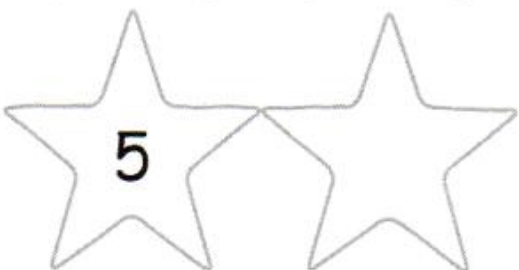

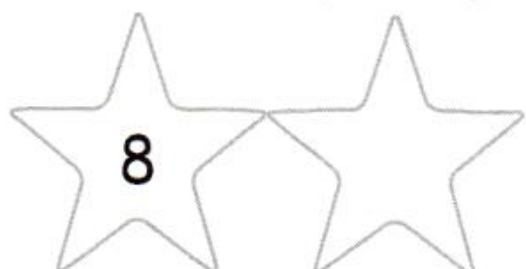

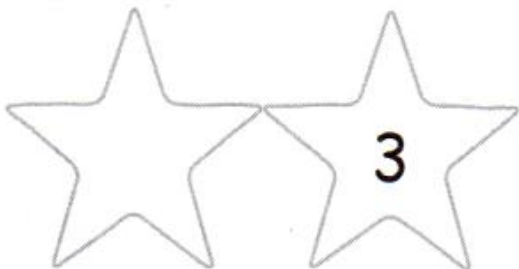

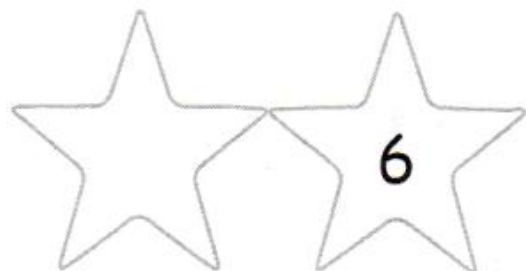

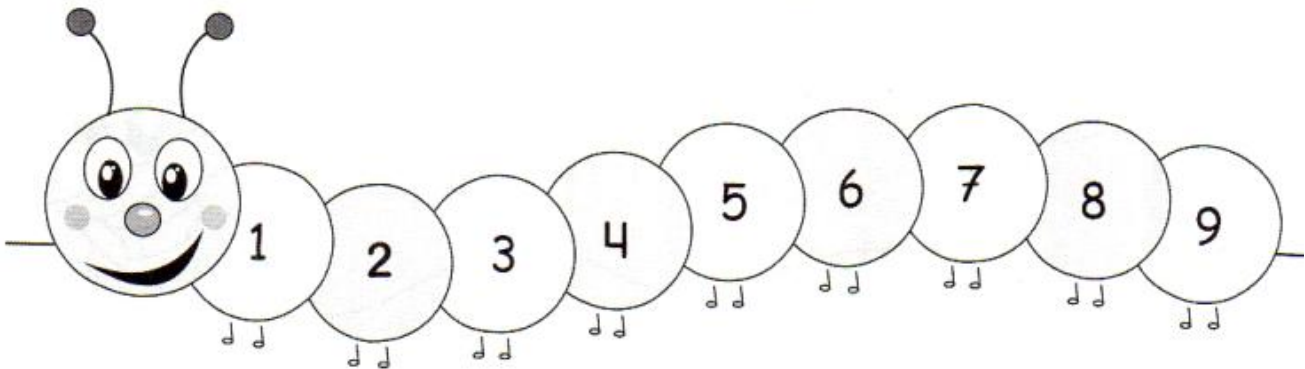

Un saludo y muchos besos para todos.

DESI
