RECYCLED TOYS

1st

HELLO! WE ARE THE FIRST-YEAR STUDENTS AND WE ARE GOING TO SHOW YOU THE RECYCLED TOYS WE MADE IN OUR PROJECT CLASS.

THIS TERM WE HAVE LEARNED TO NAME THE DIFFERENT TYPES OF TOYS IN ENGLISH. SO WE THOUGHT OF RECYCLING SOME SOCKS. THAT WERE ALREADY A BIT OLD. AND CREATE SOME VERY ORIGINAL DOLLS.

1st

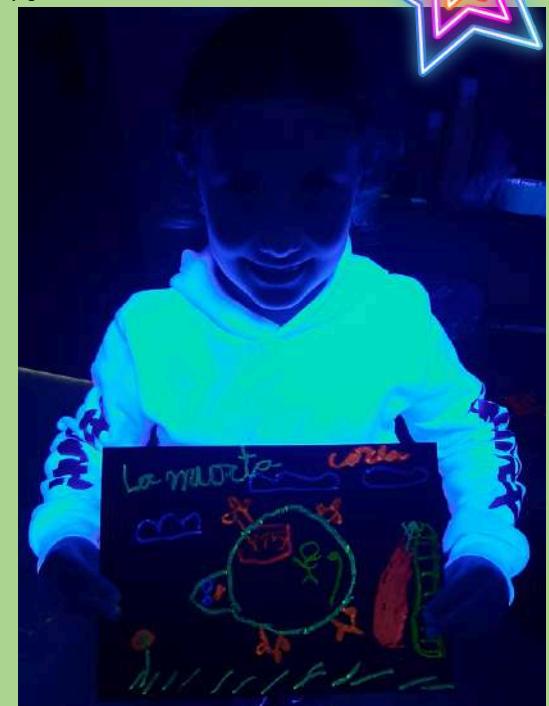

OUR DREAM SCHOOL

ND GRADE

THE SECOND-GRADE BOYS AND GIRLS LOVE TO DRAW.
SO WE DREW OUR DREAM SCHOOL. TAKING
ADVANTAGE OF THE CLASS WITH ULTRAVIOLET
LIGHT. WE MADE OUR DRAWINGS WITH GLOW-IN-THE-
DARK NEON CRAYONS.
IT WAS SO EXCITING!

IN OUR DRAWINGS, WE HAD FUN IDEAS LIKE:

- HAVING A FARM WITH DIFFERENT ANIMALS AT SCHOOL.
- USING ROCKING CHAIRS INSTEAD OF NORMAL CHAIRS.
- INSTALLING A PROJECTOR THAT PROJECTS ONTO THE CLASSROOM CEILING SO WE CAN LIE DOWN.
- HAVING CLASSROOMS THEMED AROUND ANIMALS AND SHAPED LIKE THEM.

LAND ON EARTH

3RD

IN OUR PROJECT CLASS, WE LEARNED ABOUT THE DIFFERENT GEOGRAPHICAL FEATURES ON EARTH.

VALLEYS, CLIFFS, DESERTS, DUNES, MOUNTAINS, HILLS, ISLANDS, WATERFALLS... OUR FAVORITE WAS THE VOLCANO. SO WE CREATED ONE IN CLASS AND MADE IT ERUPT. IT WAS VERY EXCITING!

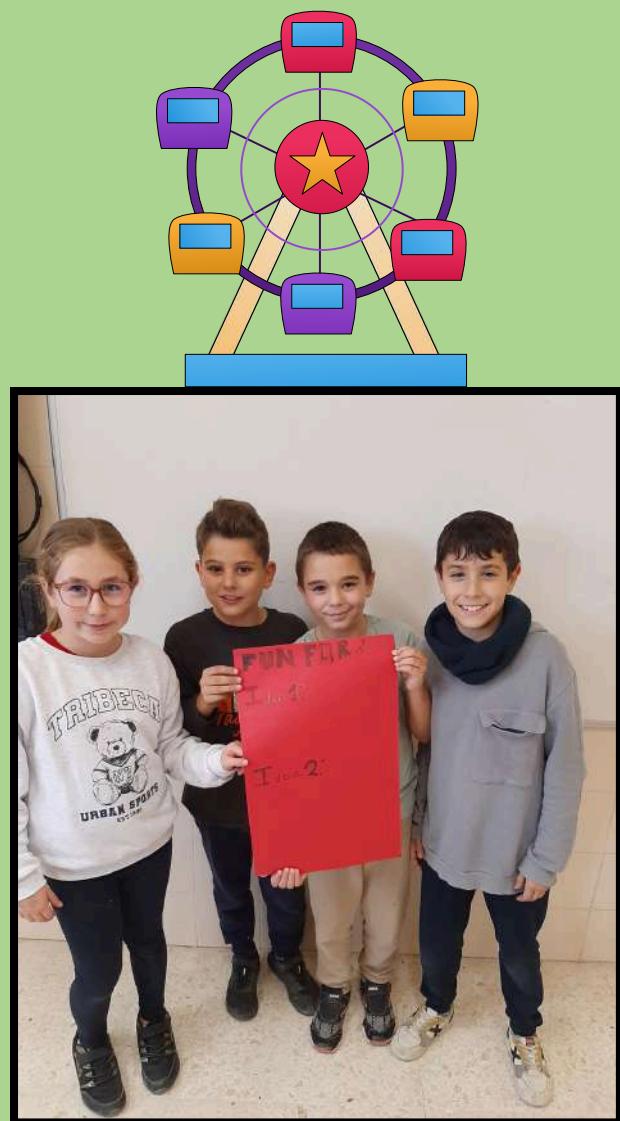

3RD

WE CREATED THE VOLCANO OUT OF CLAY. WE DECORATED IT WITH ARTIFICIAL MOSS, MODELING CLAY, AND STICKS. USING VINEGAR AND BAKING SODA, WE MADE IT ERUPT.

DURING THIS FIRST TERM, WE'VE REFLECTED ON OUR IMPORTANCE TO OUR TOWN. WE ARE THE FUTURE OF CHIVA. AND WE BELIEVE WE CAN CONTRIBUTE OUR OPINIONS TO MAKE IT A MORE ENJOYABLE AND FULFILLING PLACE. THAT'S WHY, IN GROUPS, WE'VE COME UP WITH DIFFERENT PROPOSALS THAT COULD IMPROVE OUR LIVES IN CHIVA.

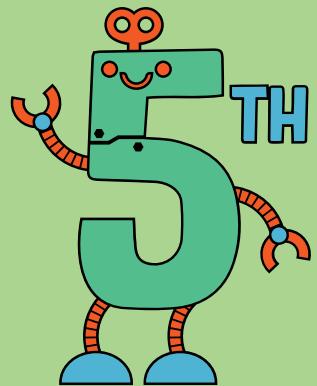

WE HAD SOME GOOD IDEAS.
LIKE:

- PUTTING UP A FERRIS WHEEL DURING FALLAS.
- HAVING AN ICE RINK AT CHRISTMAS.
- IMPROVING SOME PATHS OR PUBLIC SPACES.
- EXPANDING THE SPORTS CENTER.

MINIBEASTS AROUND US!

WE ARE THE STUDENTS OF 5TH GRADE AND WE HAVE INVESTIGATED DIFFERENT MINIBEASTS IN CLASS.

WE WORKED IN GROUPS AND CHOSE A MINIBEAST TO STUDY.

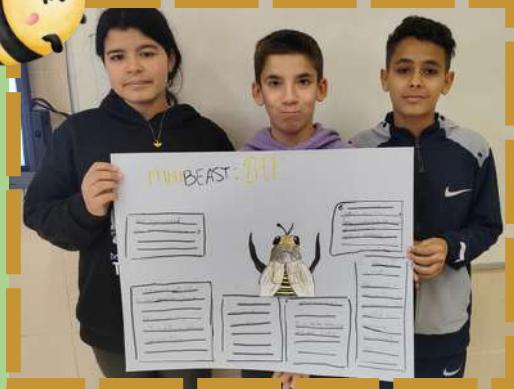

WE LEARNED ABOUT THE APPEARANCE, THE HABITAT AND THE FOOD OF OUR MINIBEAST. WE ALSO DISCOVERED WHERE IT LIVES AND WHAT IT EATS.

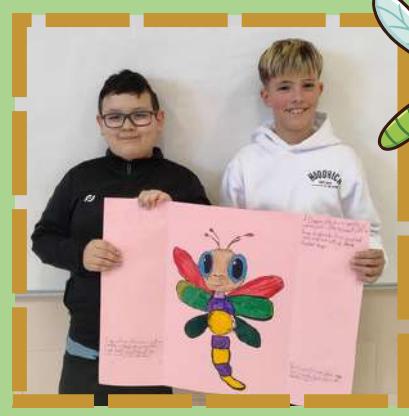

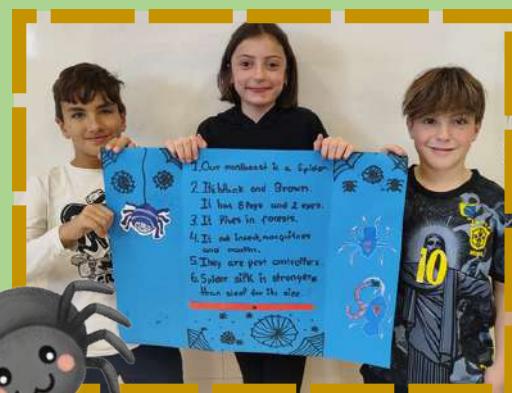

WE ALSO LEARNED WHY MINIBEASTS ARE IMPORTANT FOR THE ECOSYSTEM. SOME PLANTS GROW AND OTHERS HELP NATURE STAY CLEAN.

5TH

THIS PROJECT HELPED US TO WORK TOGETHER AND LEARN ENGLISH IN A FUN WAY.

WE ARE VERY PROUD OF OUR WORK!

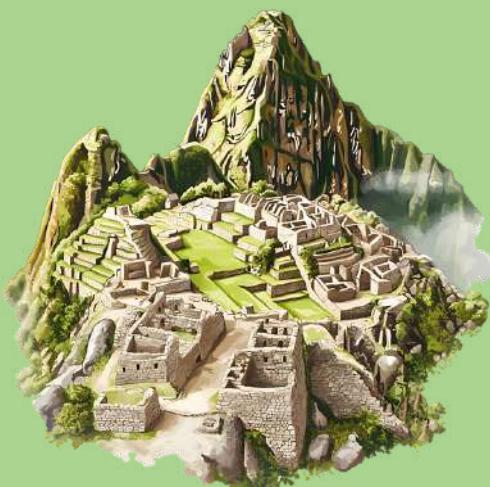

Seven Wonders of the Modern World

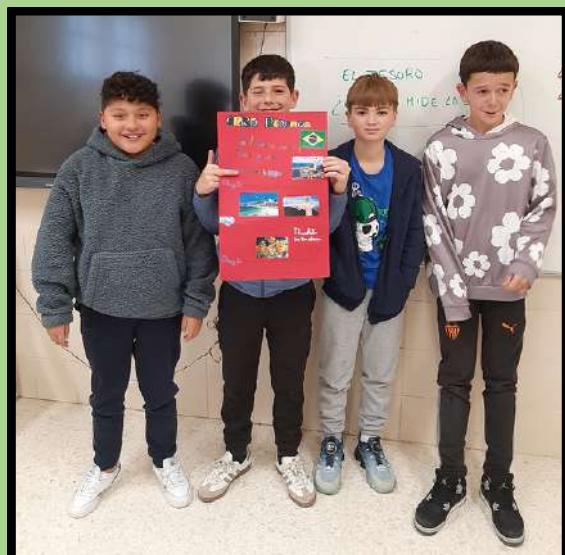

The sixth-grade students have explored the seven wonders of the modern world.

We created our own travel agency to plan a four-day visit to each wonder, also leaving time to visit other places of interest in the country or city where they are located.

To help us with the oral presentation, we designed an advertising poster that includes basic information about the trip, such as the price of the trip in the currency of the country we are going to visit.

CHRISTMAS CARD Contest

DURING THE ARTS
SESSIONS IN DECEMBER

TWO WINNERS PER GROUP

ORGANIZED BY: ENGLISH DEPARTMENT

Winners

2^a: David Fernández
Muñoz

1^a: Julen Rosales
Pilaquinga

3^a: Marta Tomás
Muñoz

4^o: Manu Martínez
Sánchez

5^oA:

5^oB:

6^o: Julia García Sánchez
