SECOND! Halloween is coming!

Pre-listening

1.- Listen and say:

It's Halloween!

While-listening

3.- Read and repeat.

4.- Listen and follow the lyrics.

Look around

Can you tell there's excitement in the air?

Orange, black and purple,
decorations everywhere.

Friends are all in costumes

It's such a wild scene

Elmo is so happy, cause today is
Halloween

It's Halloween!

Boo!

Been waiting all year!

It's Halloween!

Hooray! It's finally here!

You see all your neighbours

And everyone you meet

Thinks that it is so much fun

When kids go trick or treat

Trick!

Well almost everyone thinks it's fun

Are you kidding? That was great!

And in our costumes, we can be

Whatever we want to be

A robot!

A dog!

A hero!

A butterfly!

Or a bee!

Pretend to be a little mouse,

Though you're as big as he!

It's Halloween!

Boo!

Been waiting all year!

It's Halloween!

Hooray! It's finally here!

It's Halloween!

Boo!

Been waiting all year!

It's Halloween!

Hooray! It's finally here!

It's Halloween!

Post-listening

5.- Listen and sing!

6.- What are you going to be for
Halloween?
