

1 Read and complete the dialogue.

The project question is: In a hundred years will people live on Mars?

(1) _____

I agree. But, what will it be like?

(2) _____

James

Huw

So, it won't be a place you go to spend a week lying on a beach?

Why? Will it be a dangerous place?

(3) _____

If it's scary, why will people travel there?

(4) _____

(5) _____

a. Not really, but it won't be like Earth at all. It will be a little bit scary.

b. I don't know. I think they will go there on holiday, but they won't live there.

c. Because life on Earth will be boring. They will like some excitement.

d. I think it will be a place you go for a real adventure holiday.

e. Definitely not! Only the bravest people will go.

f. And you will be able to take your pets with you.

2 Read the definitions and write the correct word.

astronomers batteries characters hungry pavement road thirsty
