# Draw a Minion

Minions all look similar, but they have some different features. Some have one eye and some have two. Some have tufts of hair, some have flat hair and Bob has no hair at all!

Use the shapes below to draw your own Minions. Give them Minion names and don't forget their dungarees!

# Gru's Dilemma

Gru wants to take Wild Knuckles, Kevin and a banana in the lift to the top floor of the Vicious 6 new headquarters. How can Gru get them all up safely?

## Remember:

The lift will only fit 2 people or items and it only works with Gru's fingerprint identity.

Gru can't leave the banana with Kevin as Kevin will eat the banana!

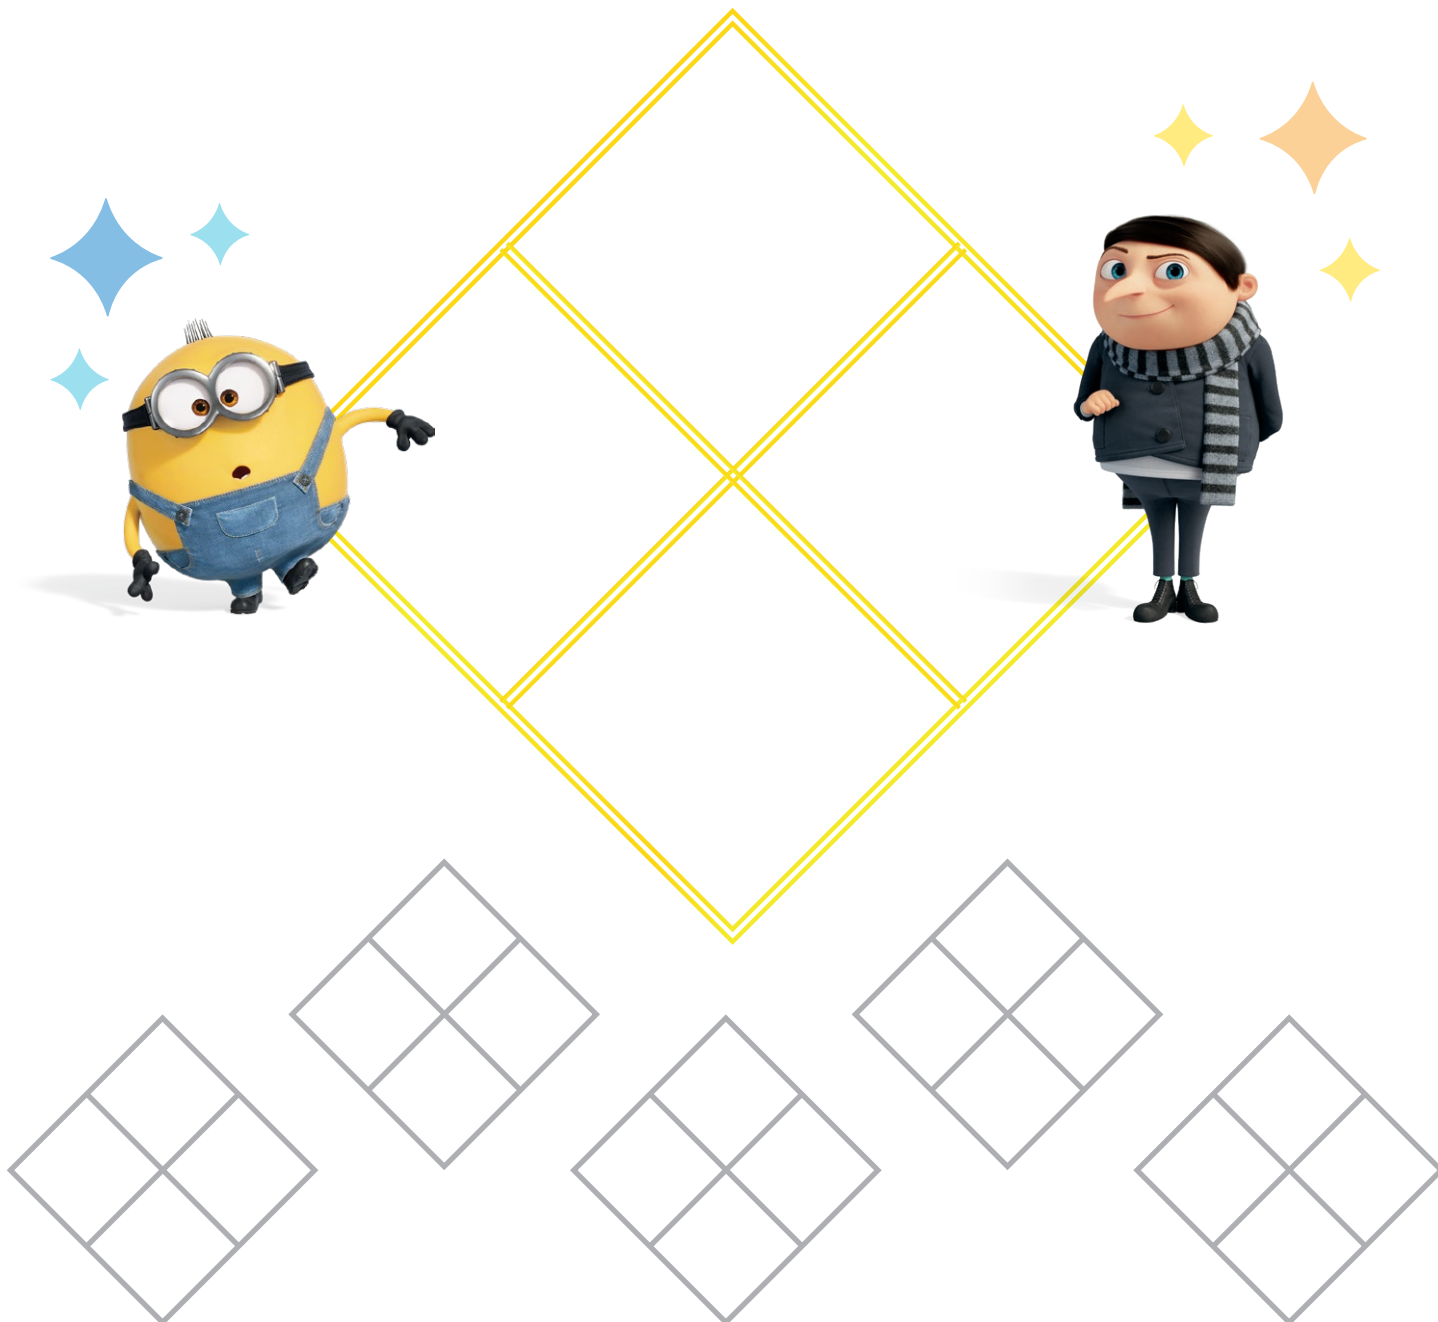

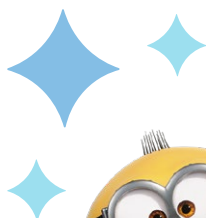

Gru can't leave Wild Knuckles with Kevin because Wild Knuckles might hurt him!

Draw or write your solution here. You might need to try it a few times!

# Otto's Route to Gru

Otto wants to get to Gru. He can only walk on the lines.  
Find 5 different ways for him to get there.
