Project
Keep your Water Clean, Live the World**

WELCOME TO

**Turkey is a peninsula. It is a bridge
between Asia and Europe.**

Turkey has many historical and natural attractions.

Turkey's area is 814.578 kilometres squares and its population is over 84 million. It has got 81 cities. The capital city is Ankara.

There are 7 geographical regions in Turkey.

Istanbul is an old city and the cultural center of Turkey. It takes place on two sides of Bosphorous Strait .

Istanbul has a rich cultural history. It was the capital city of the three famous Empires in the world namely Roman Empire, Byzantine Empire and the Ottoman Empire.

**It has got many touristic attractions.
Millions of tourists come to Turkey
every year.**

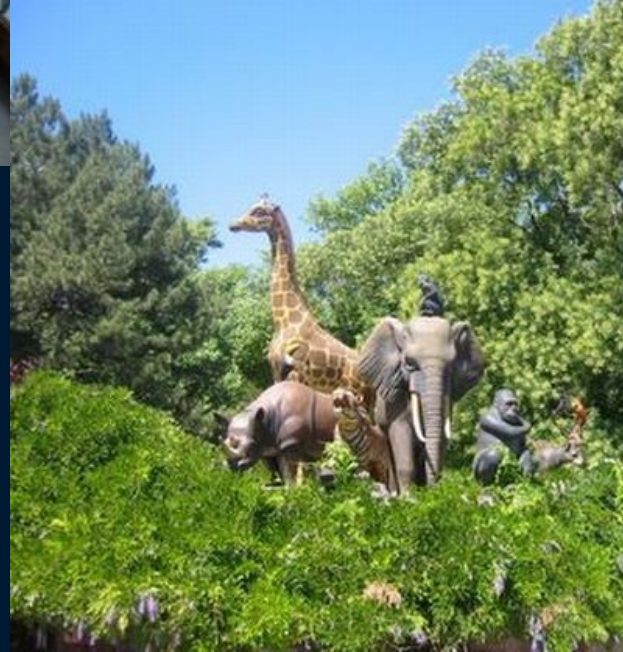

Atatürk's Mausoleum

**Ankara is the capital city of Turkey.
Our leader, Atatürk's mausoleum is
here, in Anıttepe.**

About 6 million people live in Ankara. You can also buy copper, ceramics, textile, leather and decoration items in Ulus because most of the shopping centers are usually in Ulus.

If you go to Ankara, you should visit Atatürk Natural Park, Science Museum, Anatolian Civilization Museums.

Let's go to Çanakkale!

Çanakkale is very important
for our history.

DUR YOLCU
BİLMEYEN GELİP BASTIĞIN
BU TOPRAK
BİR DEVRİN BATTIĞI VERDİR

If you go to Çanakkale, you must visit Gallipoli Martyrs and commemorate the hero soldiers.

**You can also see Troy Horse and
take photos of it.**

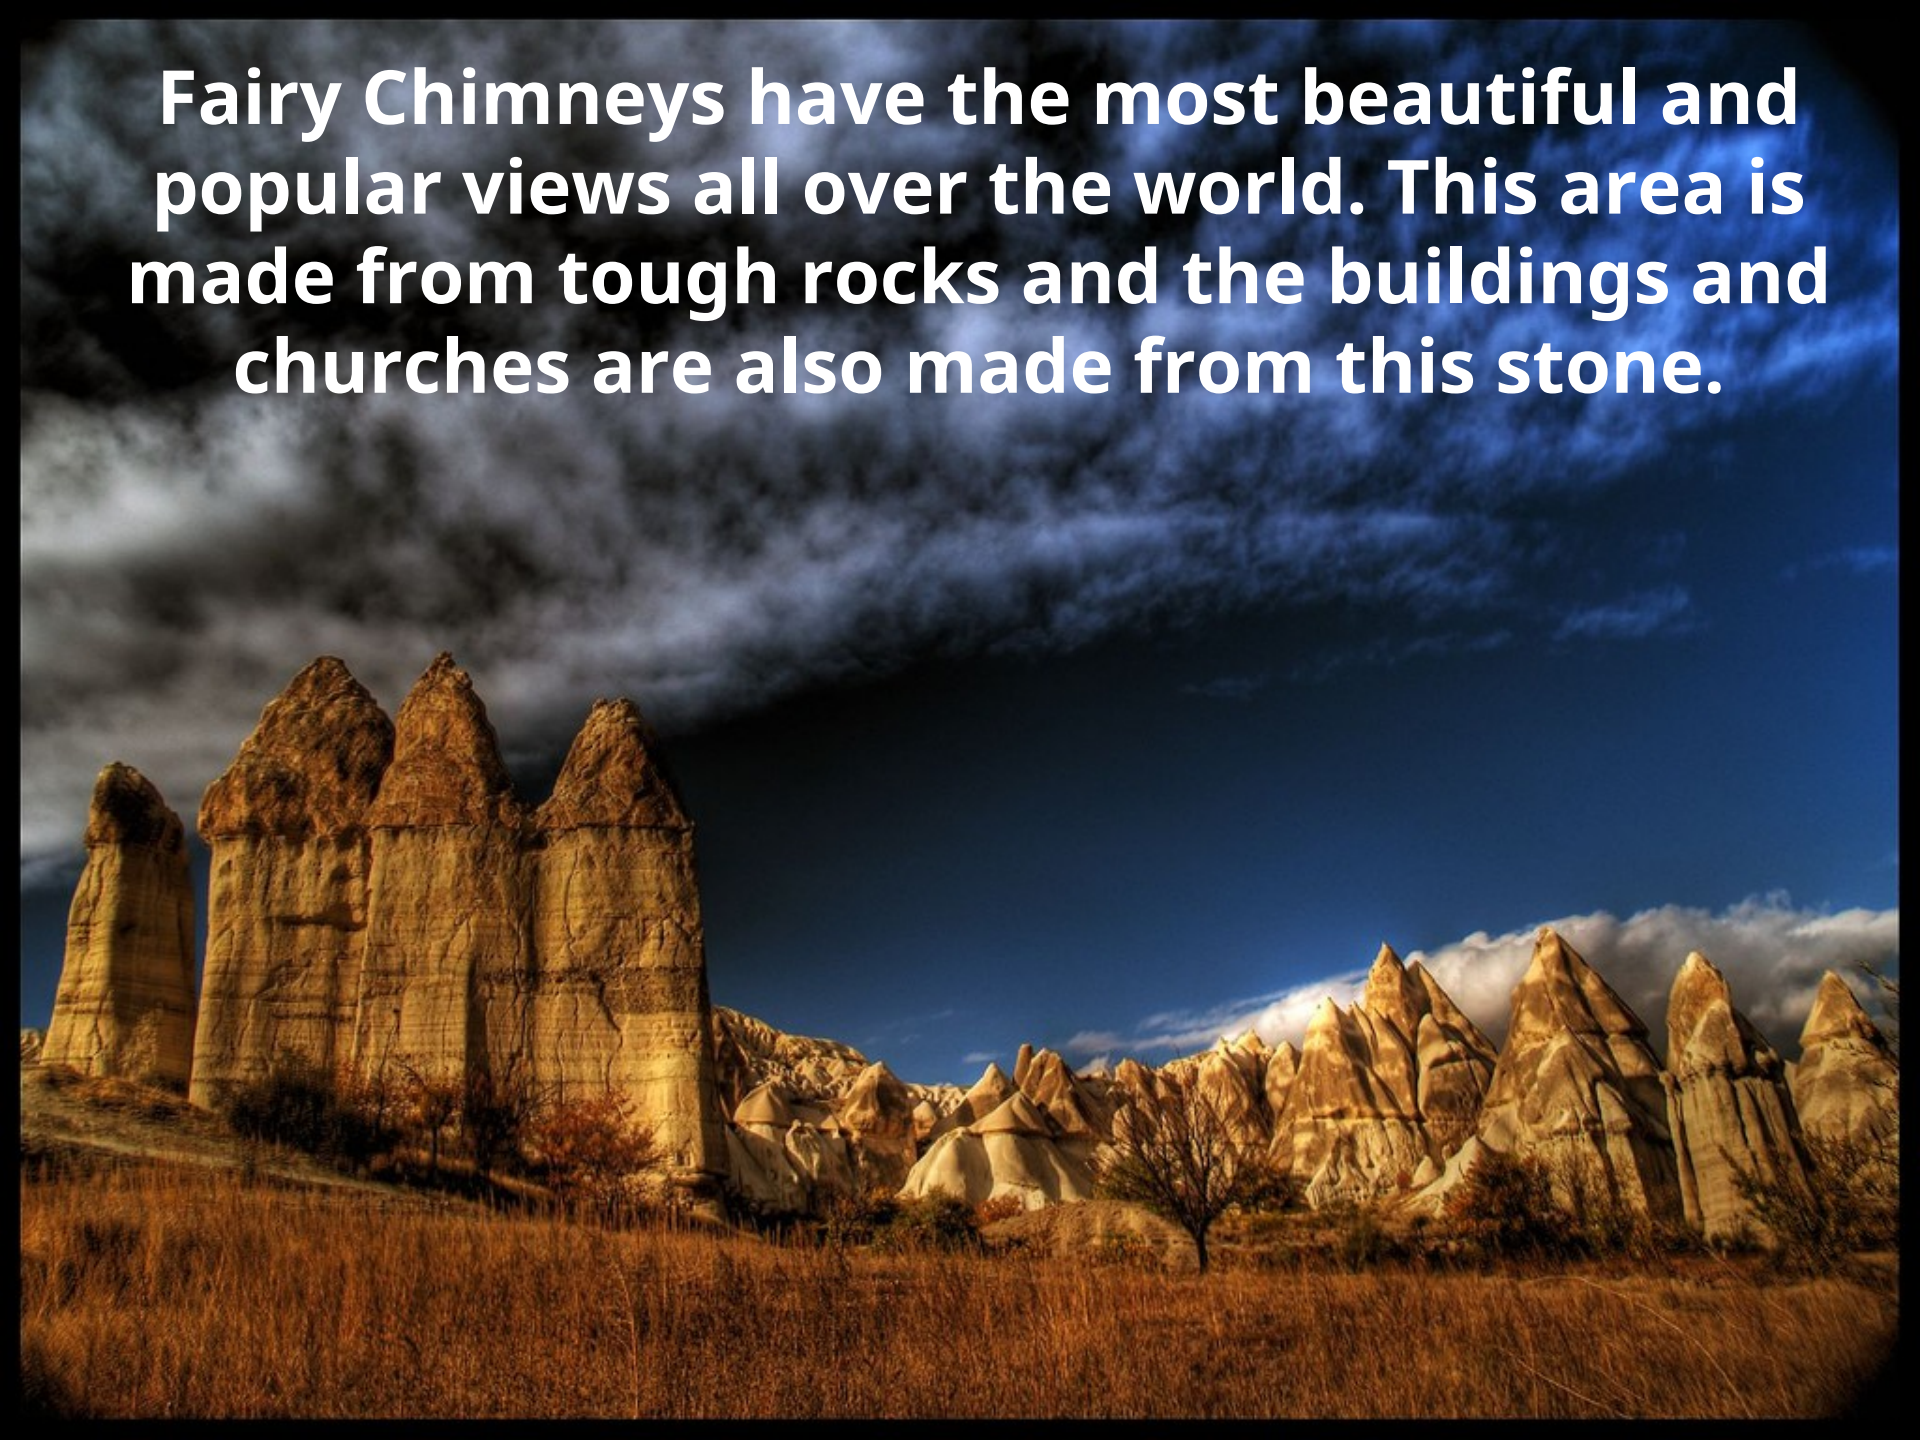

Izmir is the most beautiful and also the biggest Aegean city of Turkey. Because of the universities, cultural heritage and industry, the population is about 5 million people.

EPHESUS

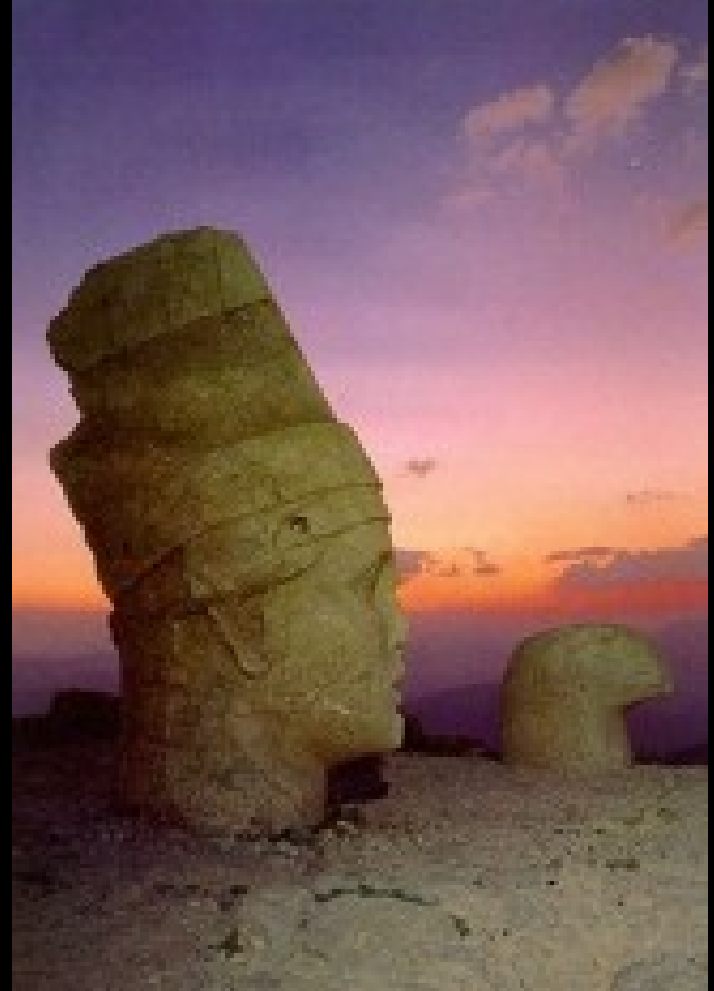

Buildings, theatres and ruins here were built by old Greek. And this place, Ephesus, is in Aegean Area.

Fairy Chimneys have the most beautiful and popular views all over the world. This area is made from tough rocks and the buildings and churches are also made from this stone.

Like all Mediterranean cities Antalya has magnificent views and beaches you should see. Especially in summer, lots of tourists come to Antalya and other Mediterranean cities such as Bodrum, Marmaris, Muğla...

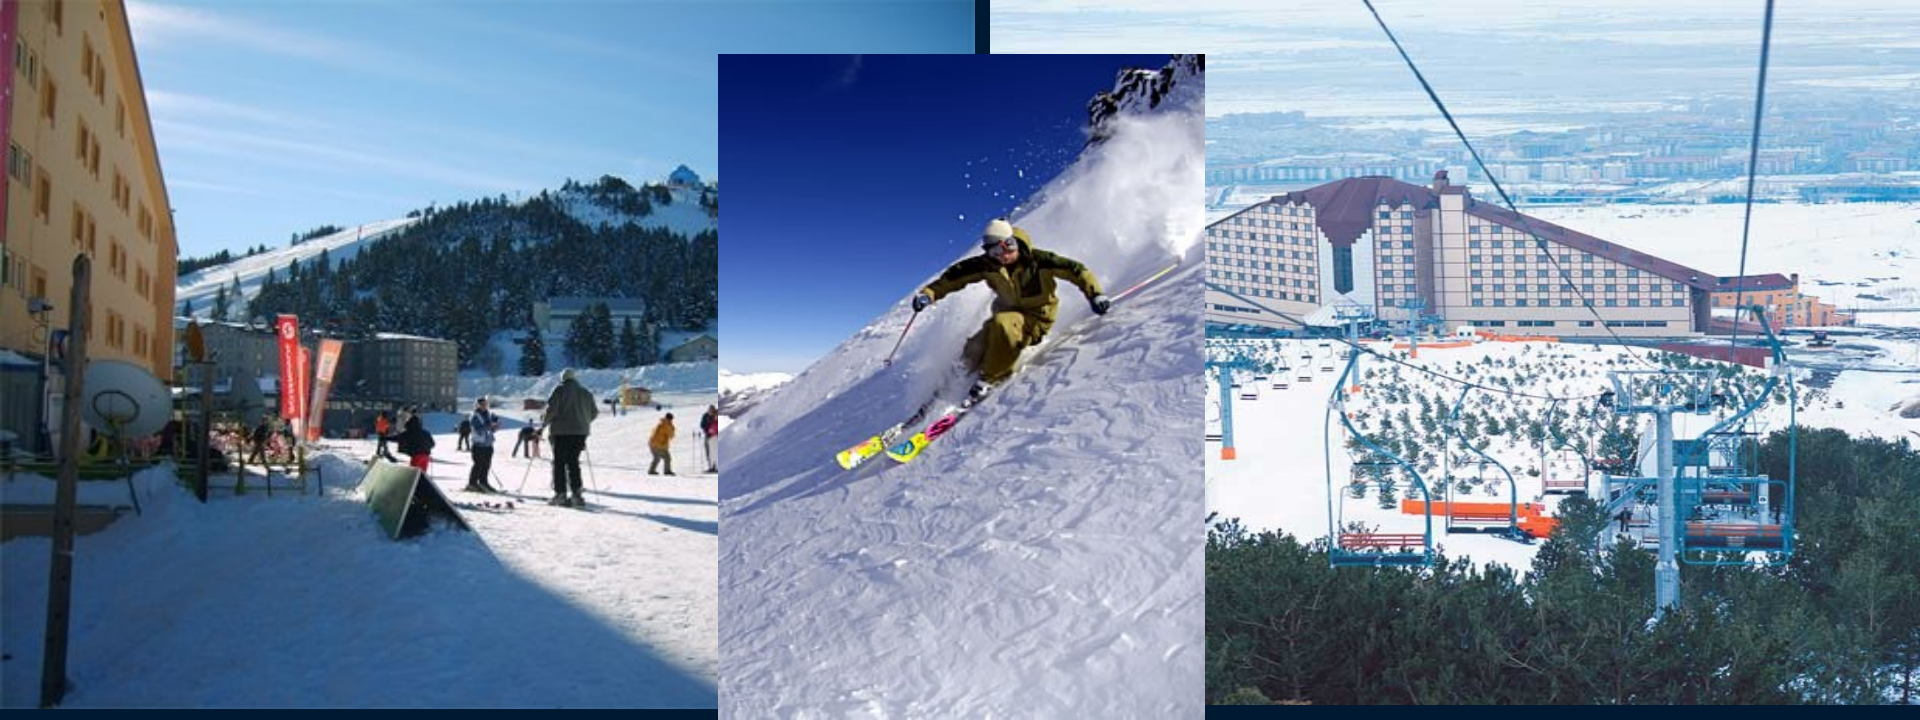

NEMRUT - The best sunrise and sunset can be seen here, behind the big statues.

Van is the biggest city in the east of Turkey. The biggest lake of Turkey, Lake Van and Castle of Van are the most beautiful attractions you should see.

ILGAZ, ULUDAG, KARTALKAYA AND PALANDÖKEN

If you want to ski in Turkey, there are lots of places that you can choose... With their hotels, skiing areas and activities, they are the most favourite ones.

**PAMUKKALE is located in the Aegean Area.
There are white travertines which look
like a castle made of cotton .**

When you come to Turkey, don't leave without...

- Seeing many masterpieces of architecture
- Visiting museums, palaces, ancient cities
- Eating traditional Turkish food
- Drinking Turkish coffee as you know "A cup of coffee will be remembered for 40 years ", which actually means that partaking in a cup of Turkish coffee with a Turk means you will share a 40-year friendship."
