# Luca's wig!

Hace un día estupendo para ir al cole en bicicleta, el cielo es del color azul más bonito del mundo y sólo una nubecita pequeña revolotea sobre las casas y los árboles.

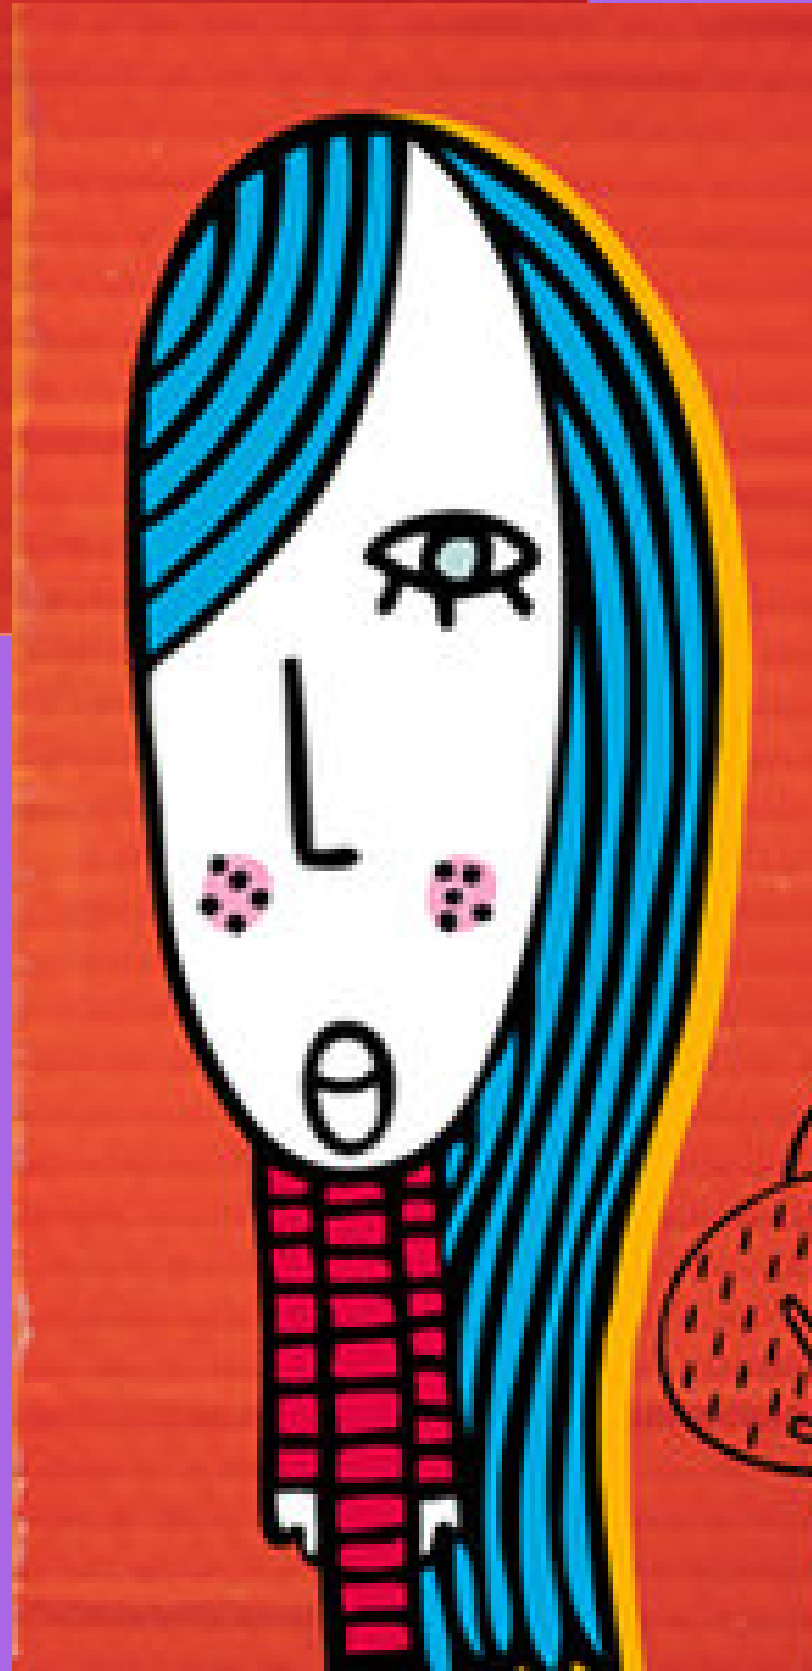

Lucas se fija en ella, nadie la ve, y no es precisamente una nube corriente, blanca y esponjosa, es una nubecita peluda y de color azul livido.

Lucas is a boy. He likes going to school.  
Today he can see a strange cloud.

The cloud is  
over his head.

It seems  
a long blue wig.

Lucas likes his new wig.

He wants to show it  
to his friends.

His friends make fun of him.

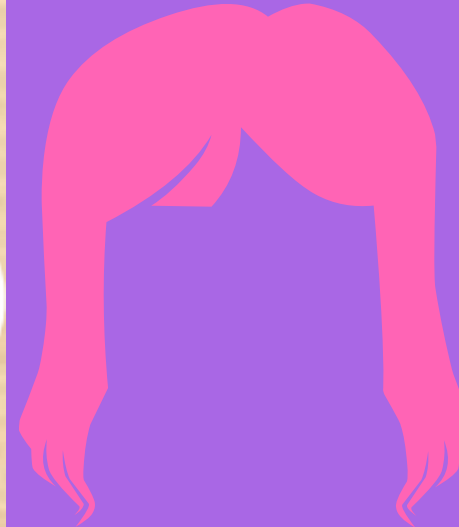

Lucas can't understand that. His wig is cool.

Suddenly, many wigs fall from the sky.

Lucas and his friends are happy now.

Be  
Brave

Lucas is brave.  
He doesn't pay attention  
to social stereotypes.

He wears what he likes.

Let's draw some beautiful wigs!
