

The background is a light cream color, decorated with various colorful illustrations of books and stationery. In the top left, there's an open book with wavy lines on its pages. To its right is a stack of three books in teal, light blue, and orange. Further right is a large teal book. In the top right corner, a stack of books in pink, orange, and teal is shown with colorful tabs. On the left side, a pink book is partially visible. On the right side, a blue book with a yellow tab is shown. At the bottom, there are several more book stacks: a blue and orange one on the left, a stack with a yellow pencil on top in the center, an open orange book, and a stack with a blue book on top of an orange one on the right. The blue book at the bottom right has a small, cute face drawn on its spine.
