### 3. Motivation letter:

December 1st from 11:00-11:30 at Biology lab (0.09) you will have to write a motivation letter between 120-150 words following the information detailed below. You can prepare it at home and it will be easier, but that day you will only have paper and pen.

#### PARAGRAPH 1:

Why are you writing this letter? Why do you want to live this experience? Explain briefly.

#### PARAGRAPH 2:

Introduce yourself: personality, hobbies, interests, and anything that you consider important.

Why is your personality adequate for an international exchange? Can you adapt to new situations? Give reasons or examples.

#### PARAGRAPH 3:

What positive things can you bring to this experience? And to your exchange partner?

What do you hope to learn from this exchange programme? How can it be useful for you?

#### PARAGRAPH 4:

Conclusion + other things we should consider to select you.

What positive things can you bring to this experience? And to your exchange partner?
