

ASSOCIAR GRAFIA QUANTITAT AMB FLORS.

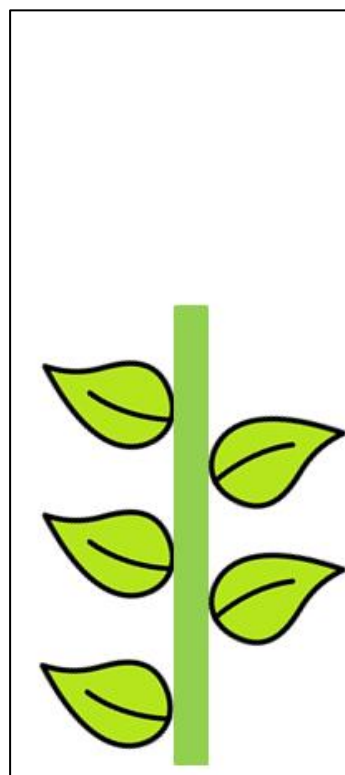

L'activitat consisteix a posar tantes fulles a la tija com indica cada flor.

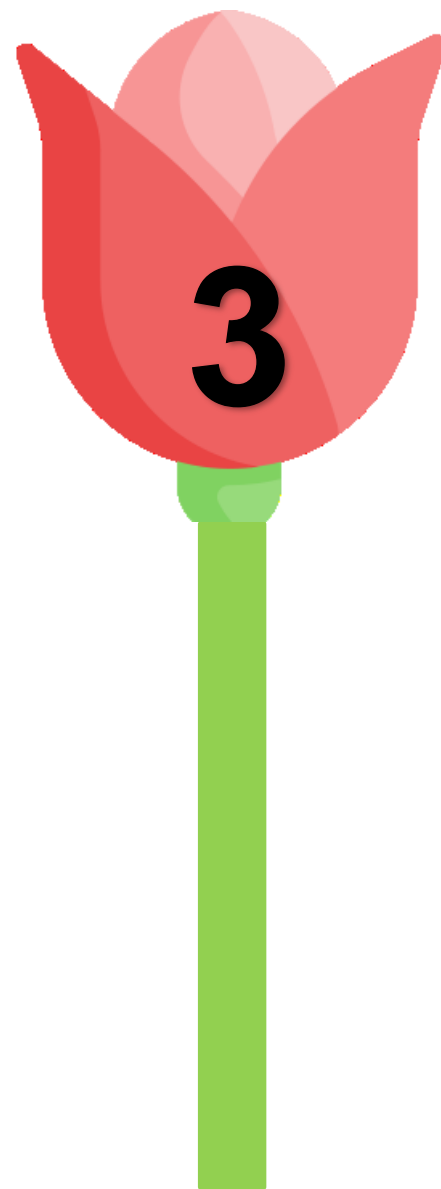

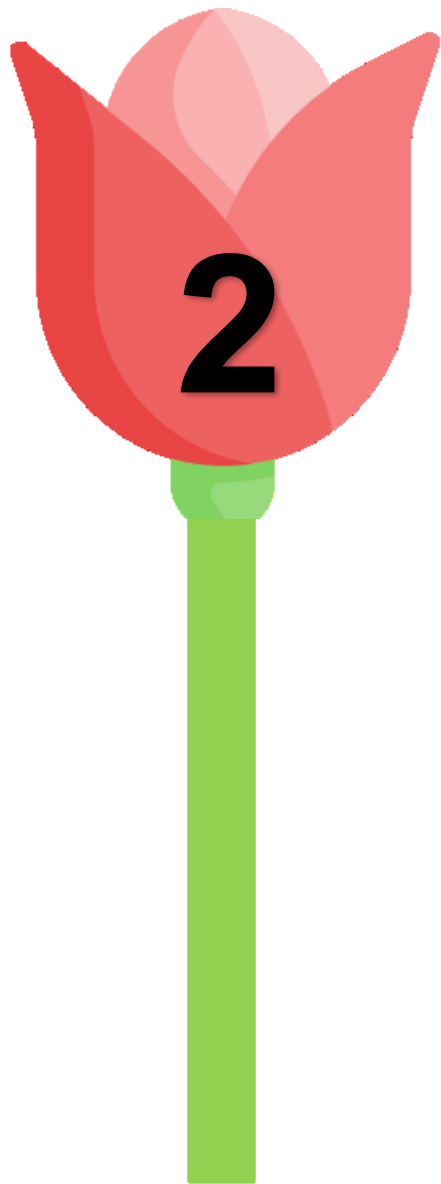

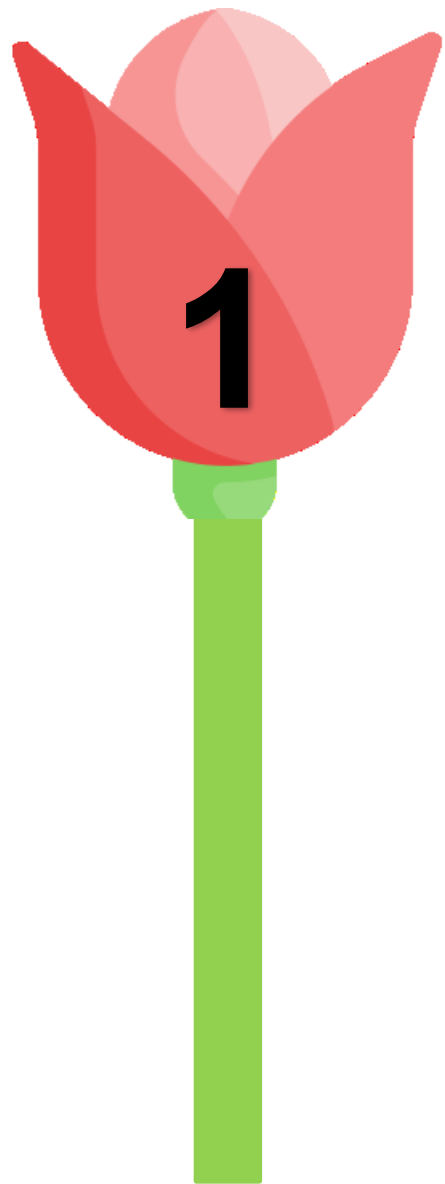

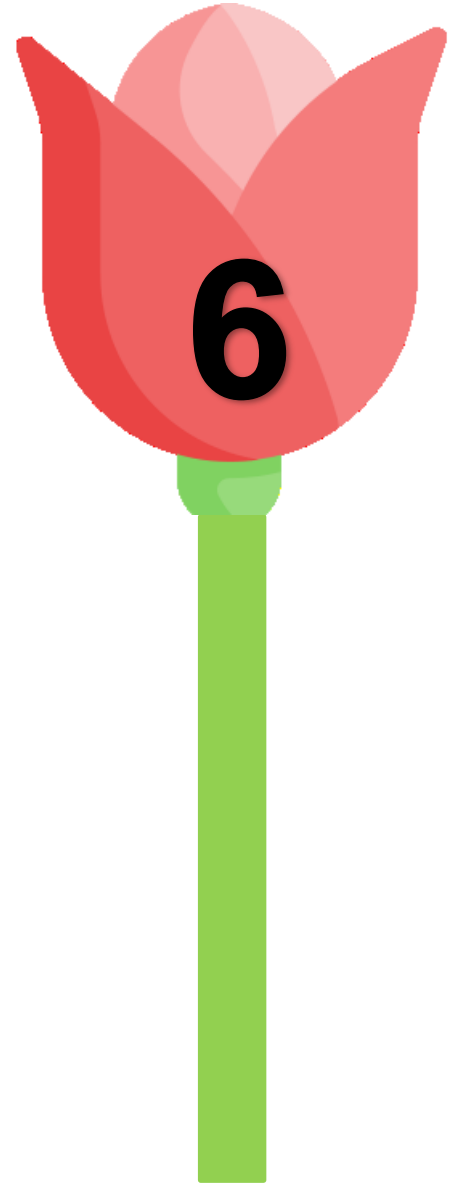

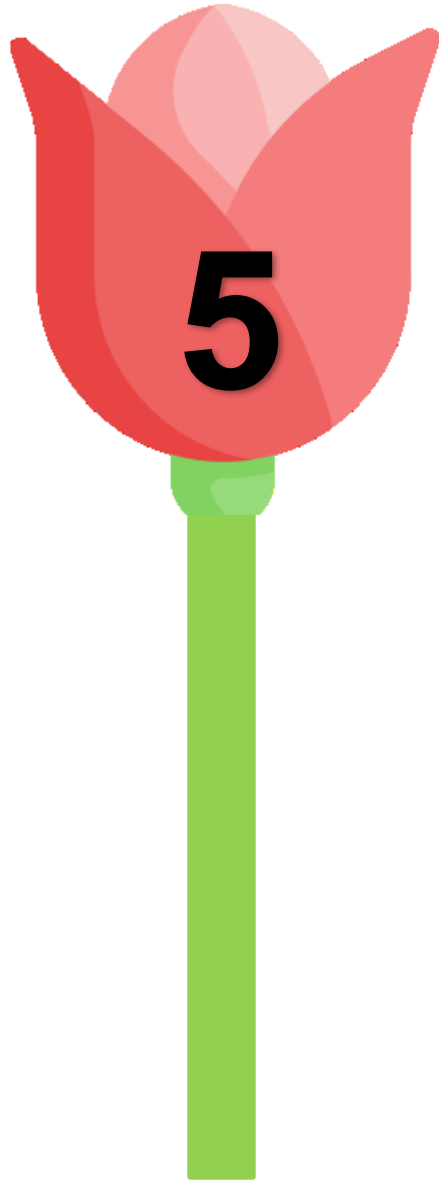

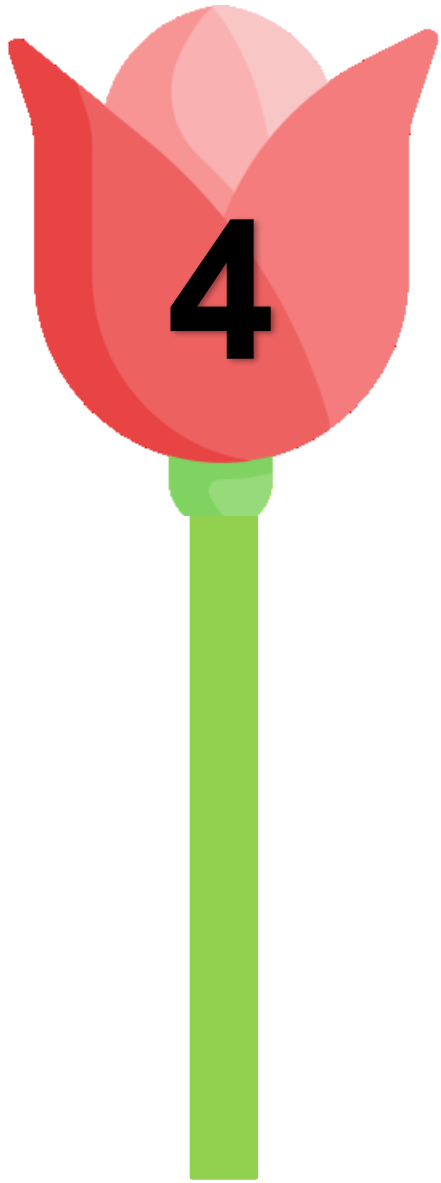

Un altra activitat consisteix a comptar les fulles que hi ha en cada tija i col·locar la flor amb el número corresponent.

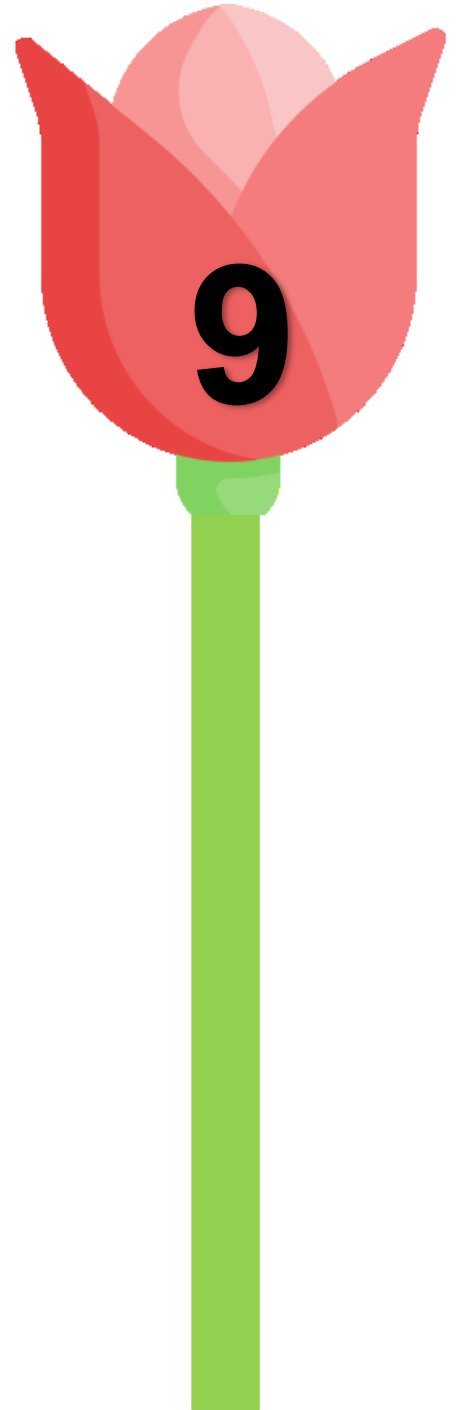

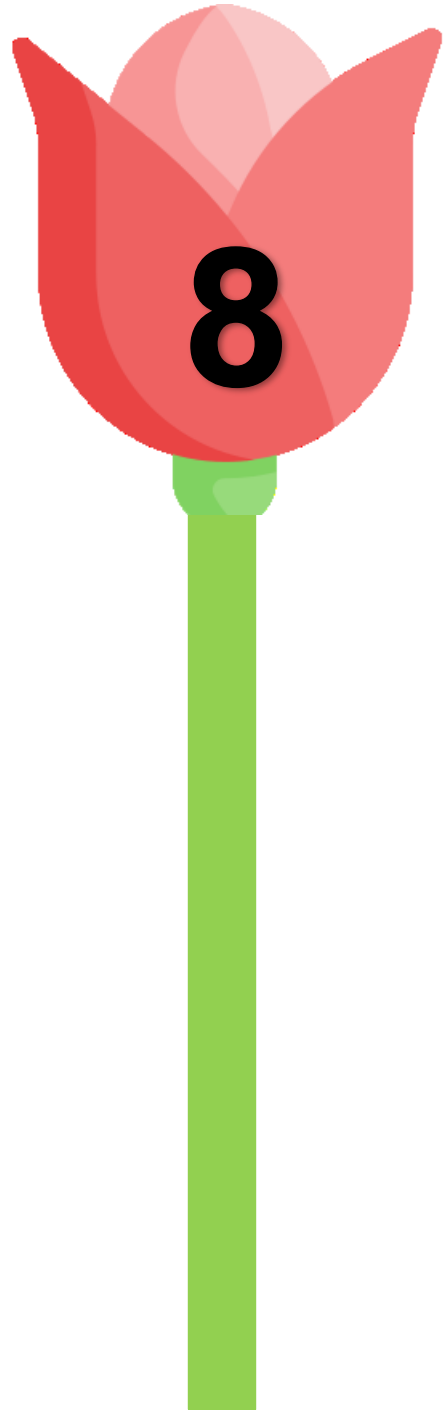

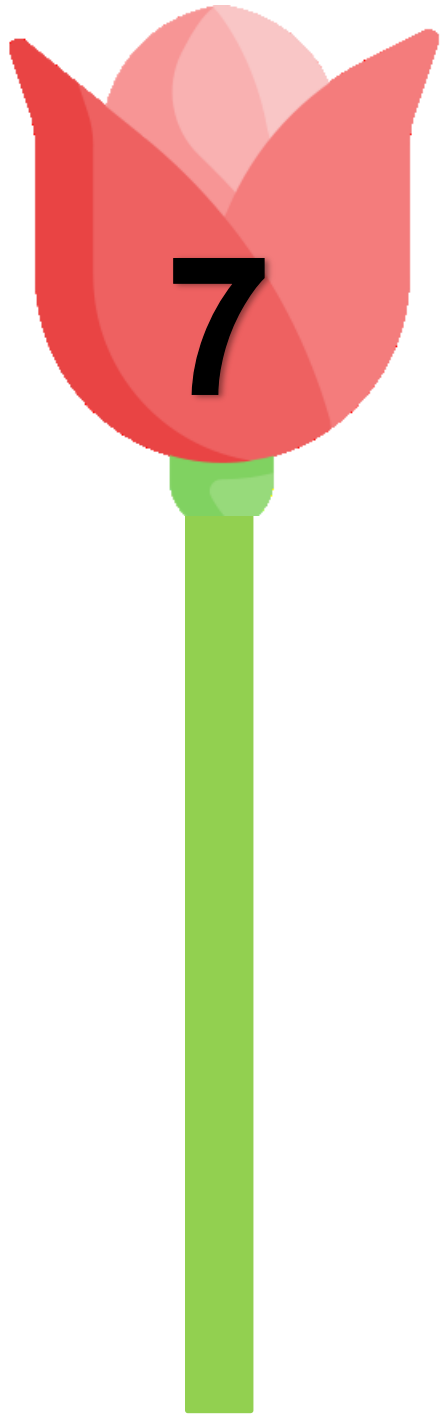

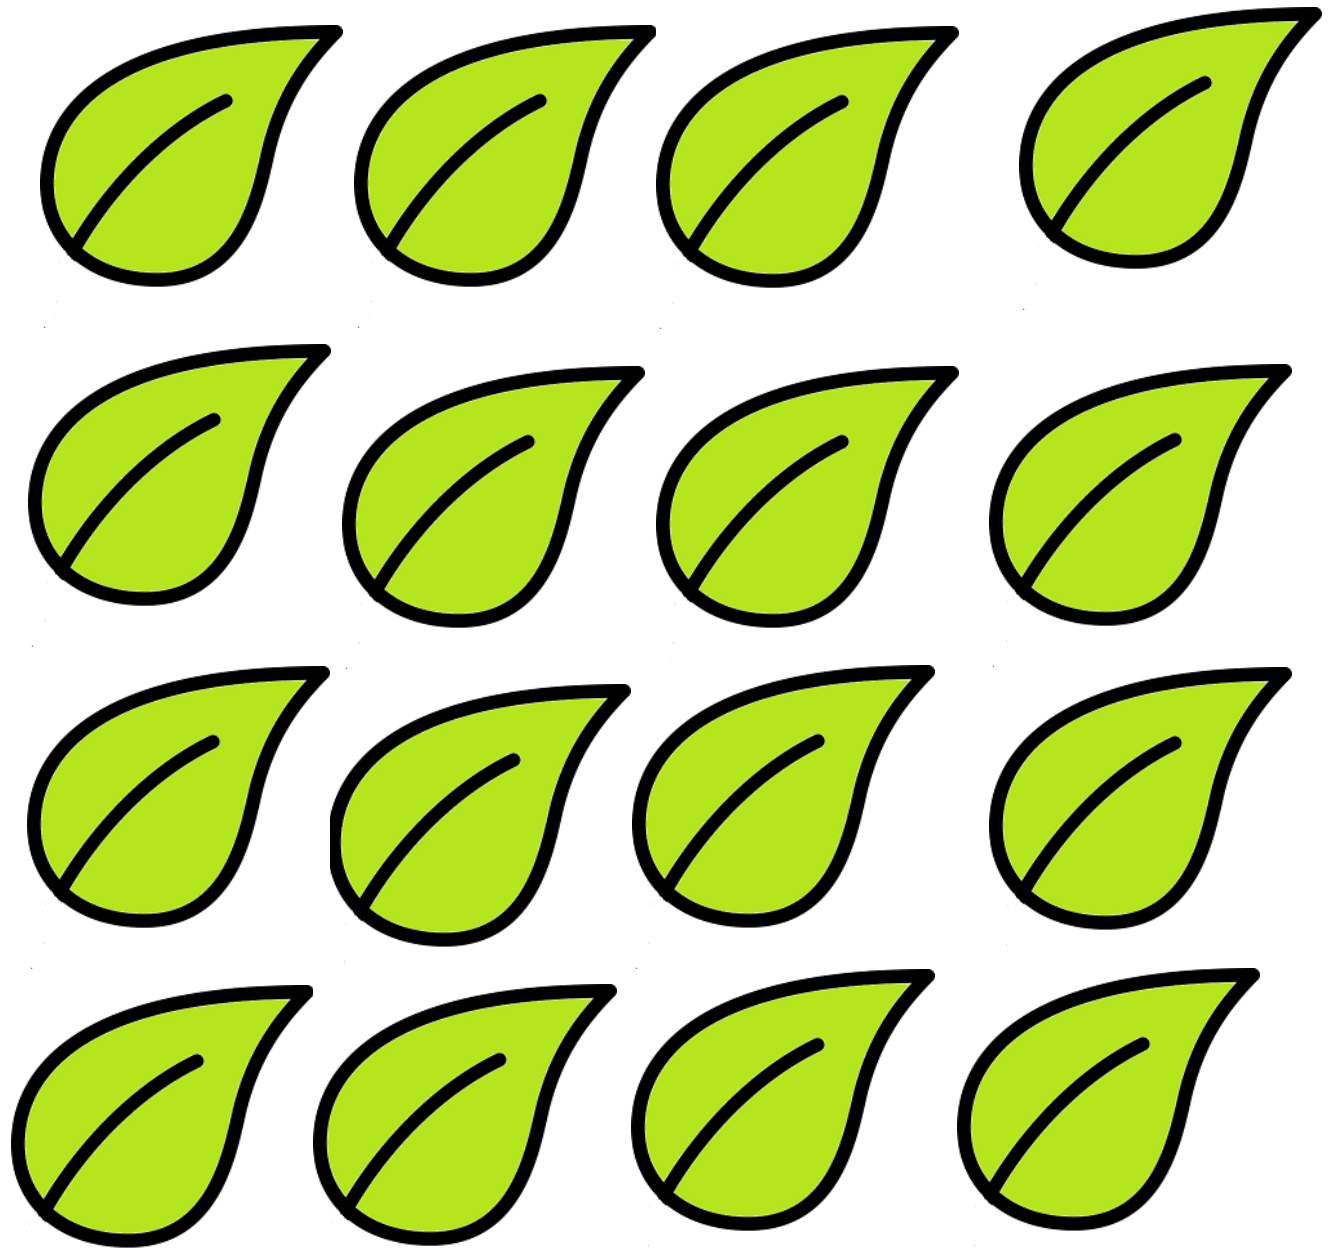

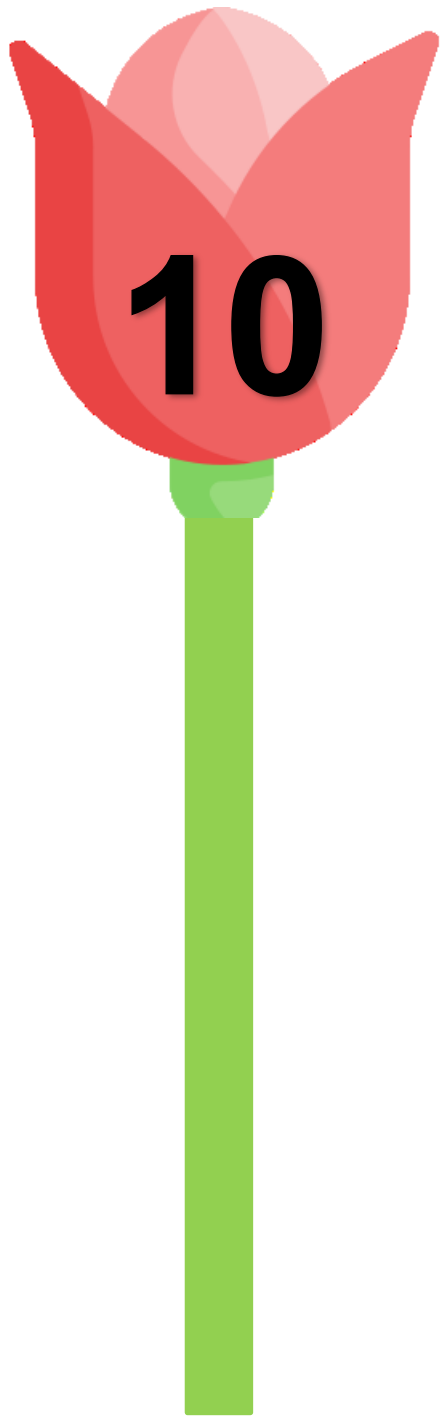

El joc està llest per a imprimir i retallar, si no teniu impressora, ho podeu dibuixar en fulls o cartó per poder fer l'activitat.
