Els **materials** que necessitem per a fer aquestes activitats són:

- Tisores.
- Pals de polo.
- Pegament.
- Ouera.
- Plantilles seriacions de la pàgina 5-7.

CLASSIFICAR FLORES PER COLORES.

La primera activitat consisteix a posar cada flor al seu color, és a dir, **associar els colors**.

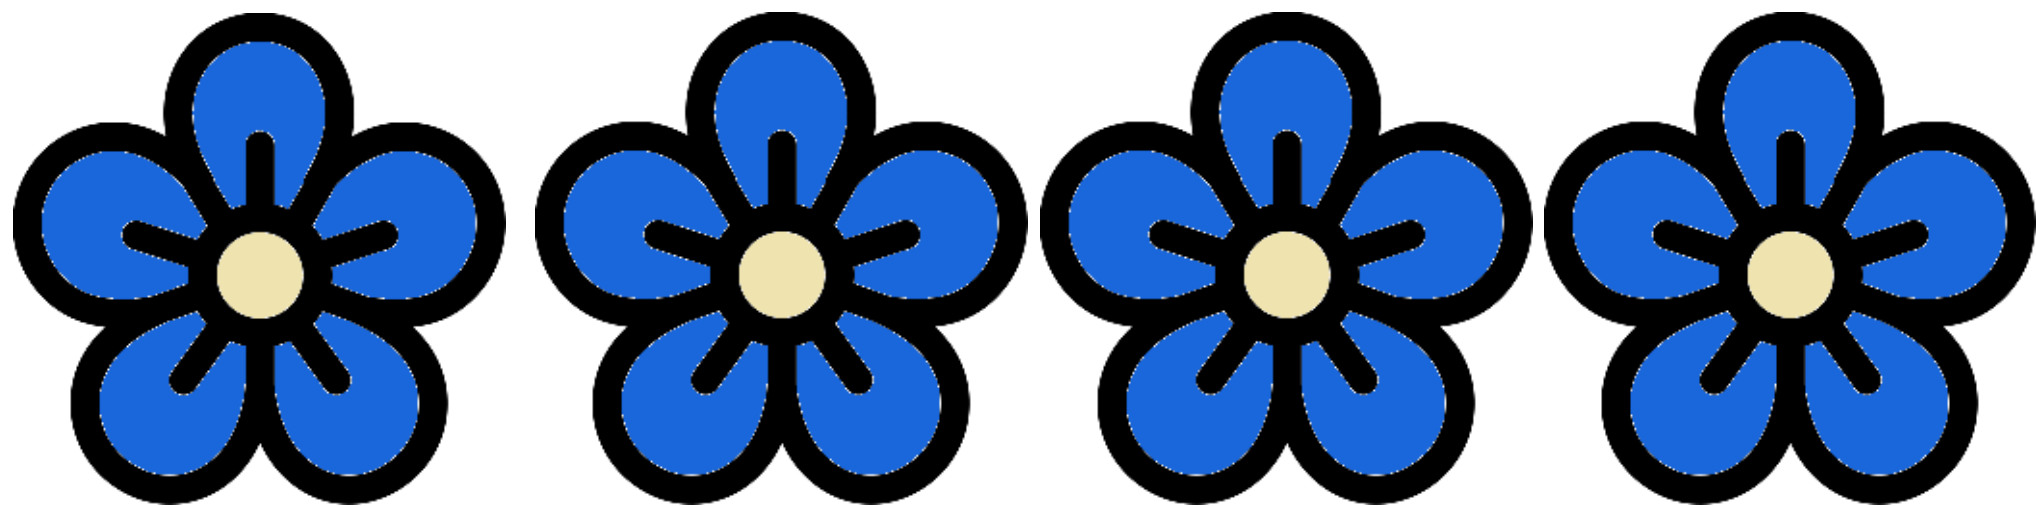

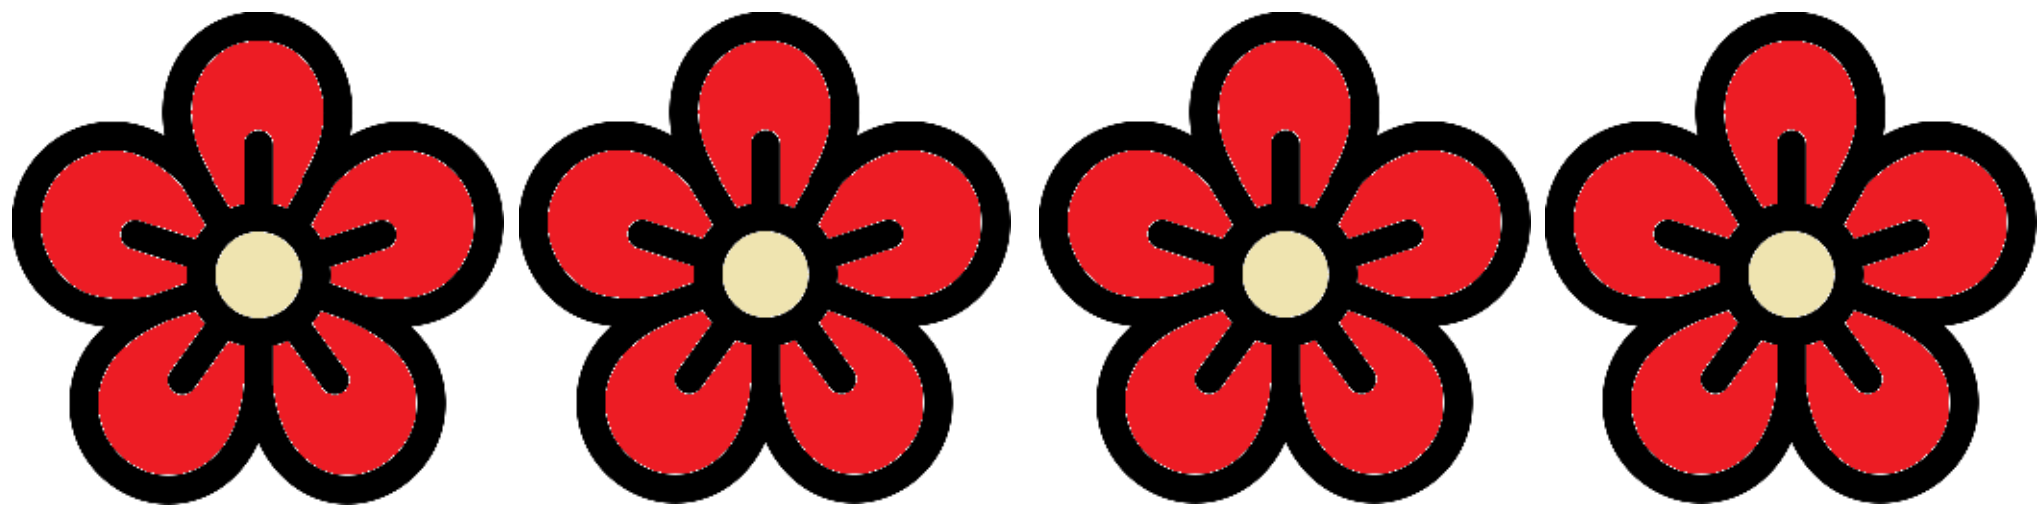

SERIACIONES

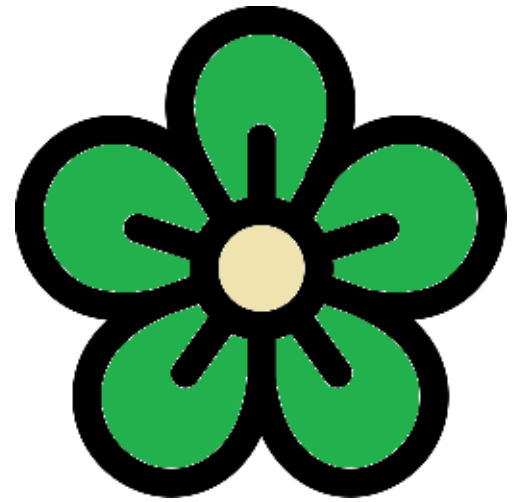

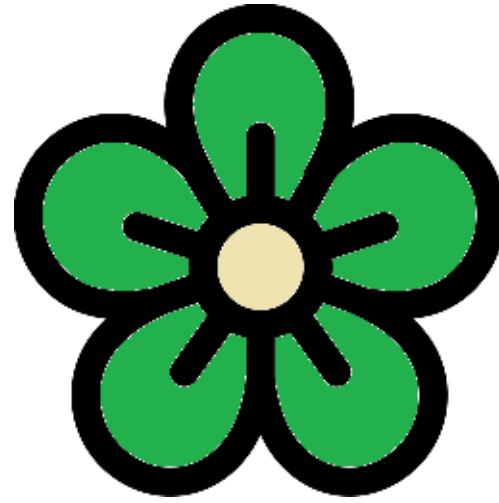

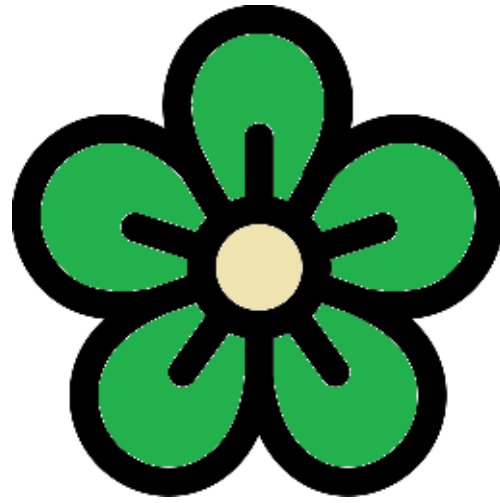

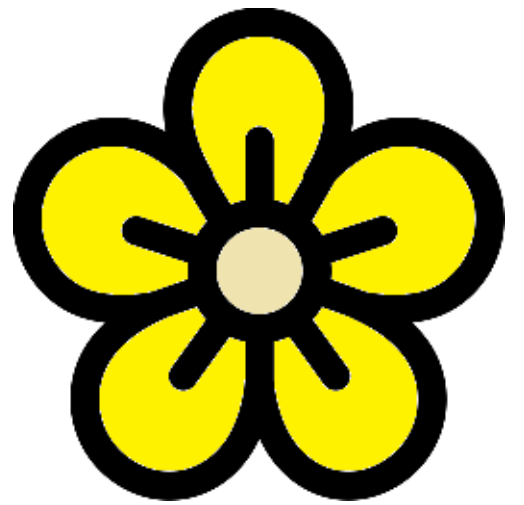

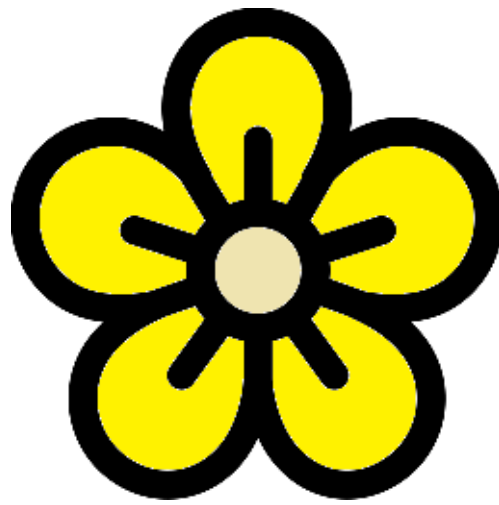

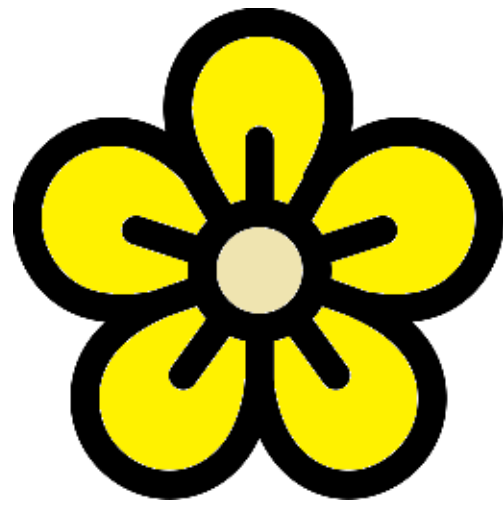

La segona activitat que podem realitzar amb aquestes flors són **seriacions**.

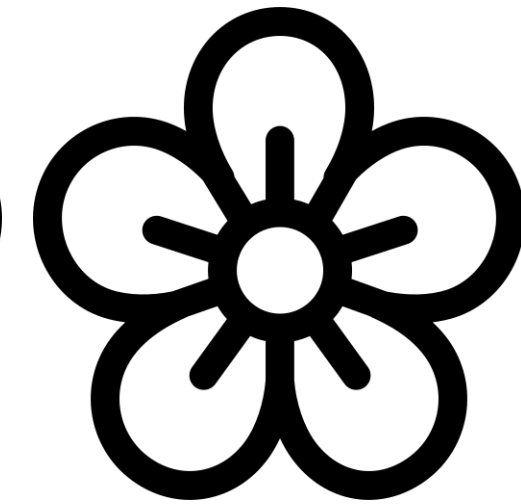

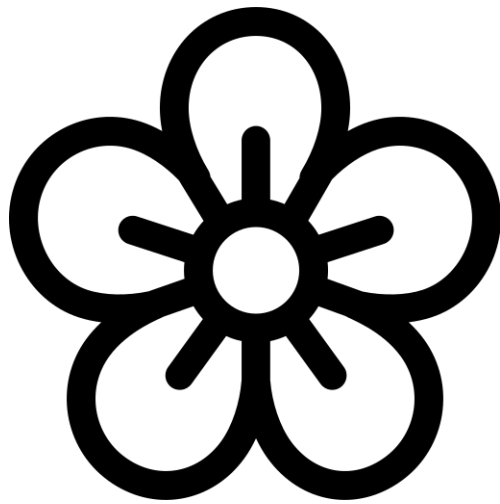

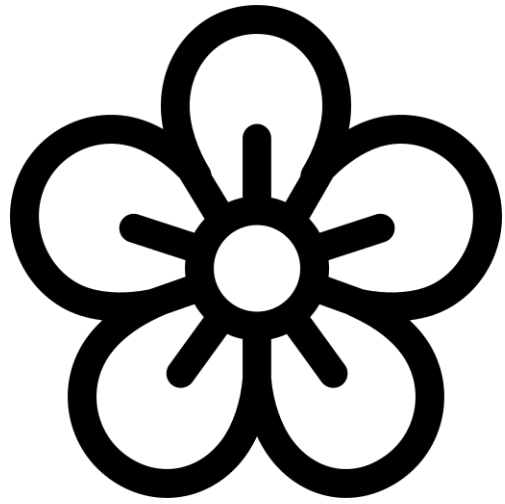

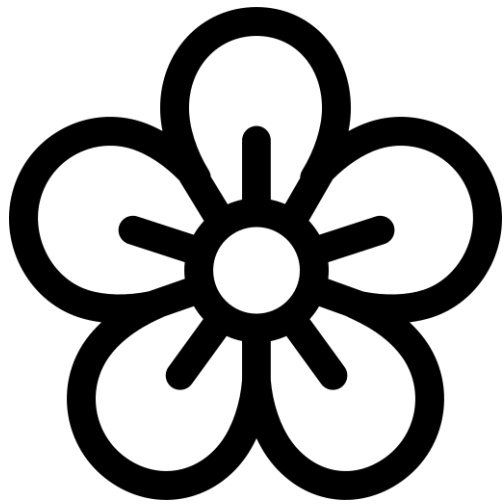

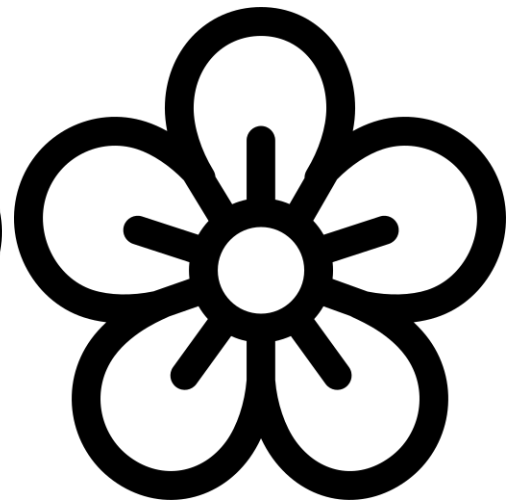

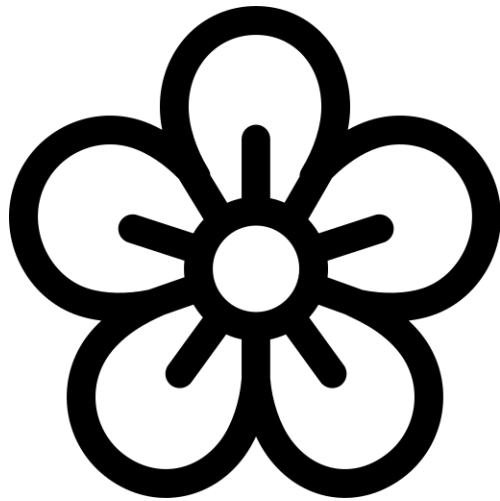

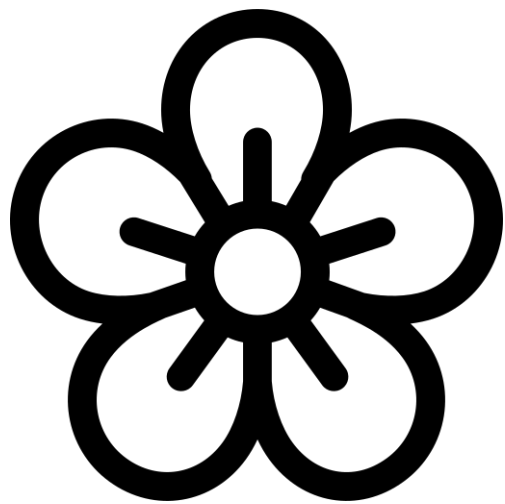

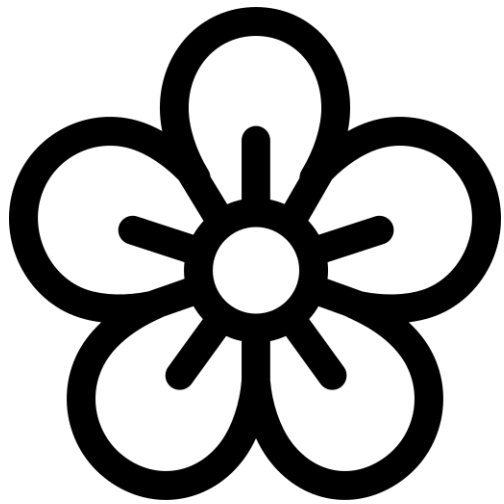

(Perquè les plantilles tinguen la mida de la ouera s'hauràn d'imprimir 2 fulles en una pàgina).

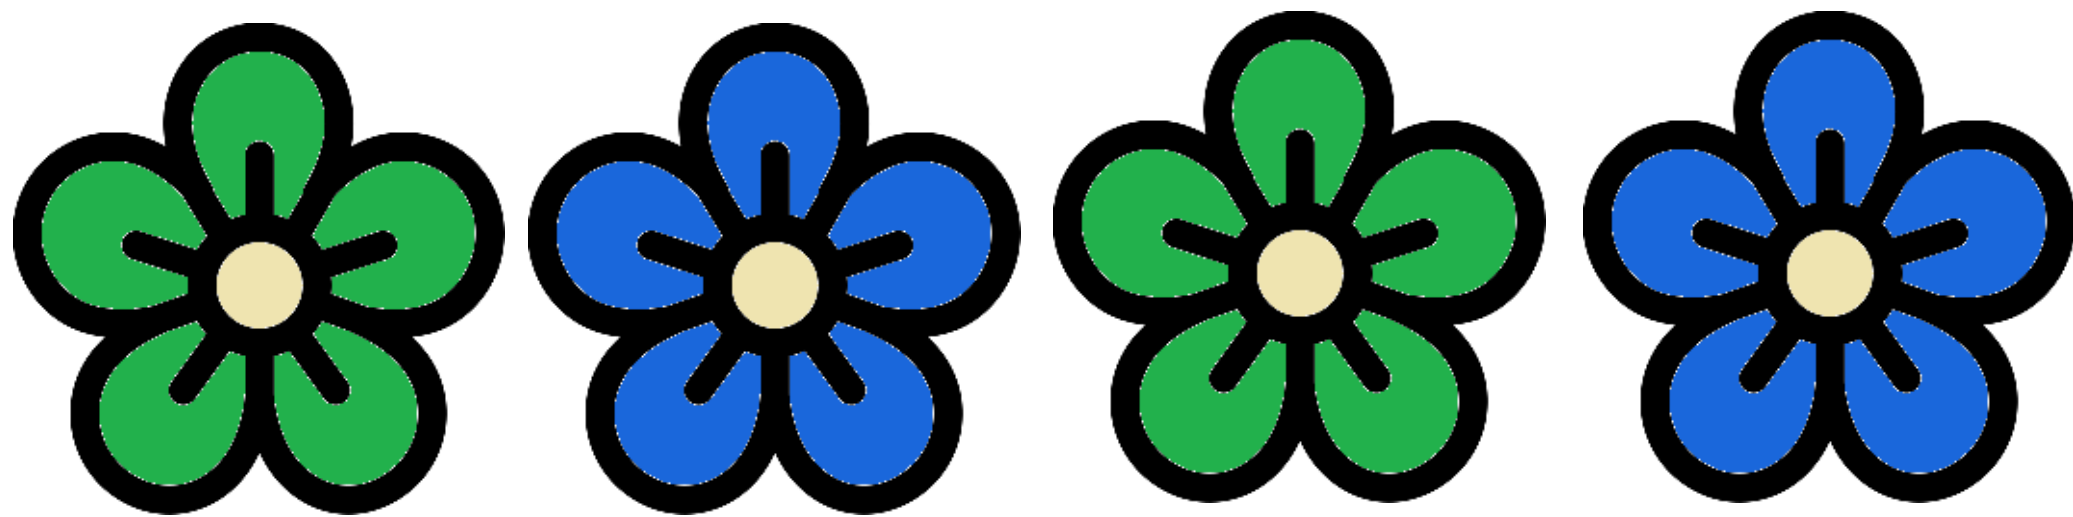

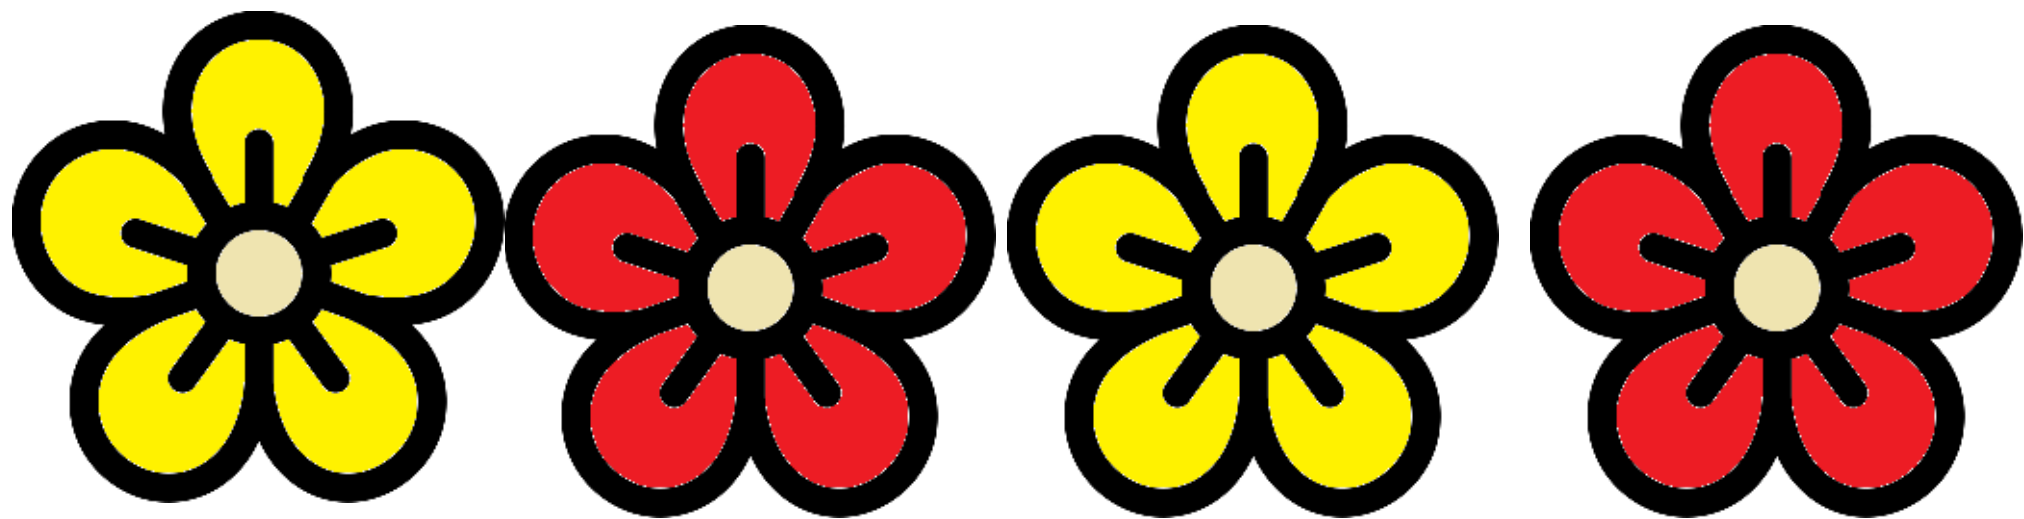

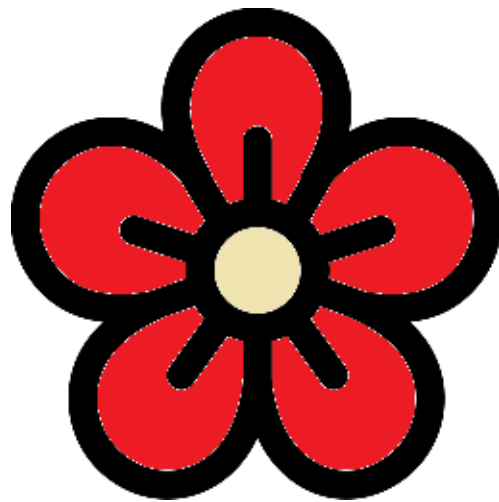

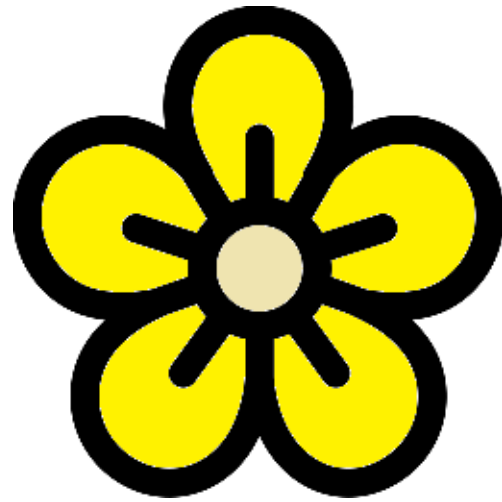

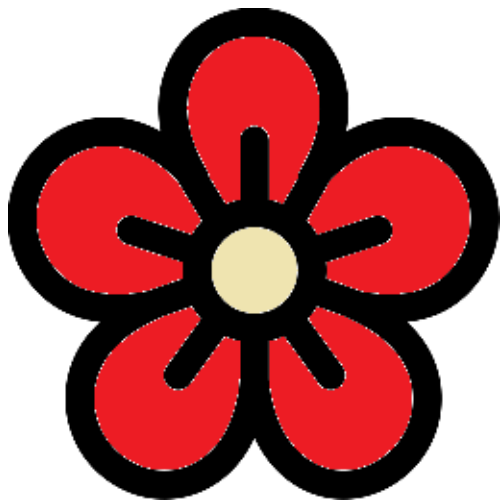

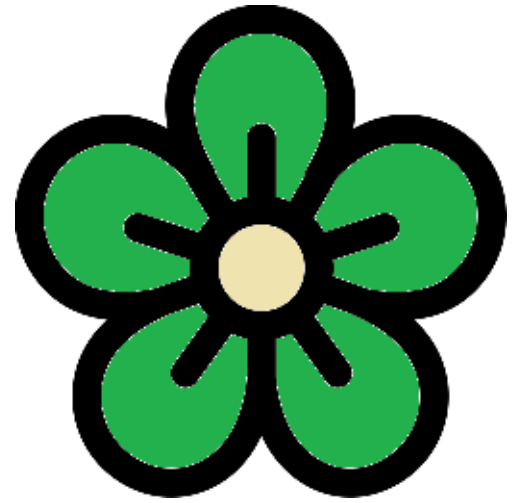

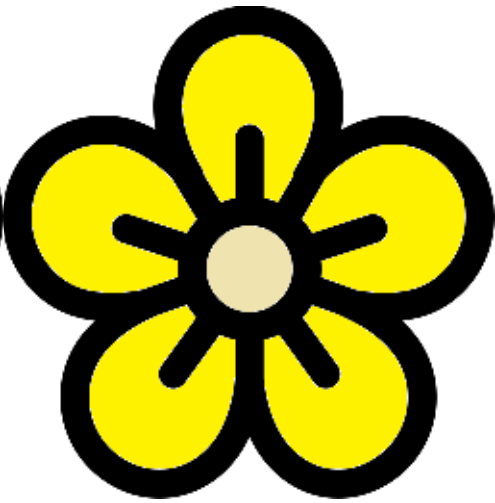

El joc està llest per a imprimir i retallar, si no teniu impressora, ho podeu dibuixar en fulls o cartó per poder fer l'activitat.
