

THE INFINITY OF CHRISTMAS

CHAPTER I (THE GLITCH)

That was classic day. I was in united worlds laboratory (U.W.L).I did work in plant 3.My boss is Mr.Brain, he is wery angry. But i had a friend. She was a ms. Dane, she really like my boss. But don saying me what I'm stupid or else.

-hey

-hi

-what do you want?

-where are going this guy?

-be careful, it is glitch, he can freeze you up.

-oh ok, but you don response on my question.

-sorry, he goes in the space.

-what, in the space?

-yes, he is too dangerous.

-oh ok, I will send him to commander.

It is day of start, on this rocket goes the glitch. I think he can't breach.

-5, 4, 3, 2, 1,0....GO!

-wow, so beautiful!

-WAIT! WHAT IS THIS! WHATS GOING ON!

-why do you so loud.

-I saw glitch.

-it can be here.

-oh I'm feeling bad...

When it starts, I was in end of year 2022. I was scared.

-hey, can I pass the night here,please?

The family was good and they let me live. But I haven see them yet. Is anybody are here? .Nobody response. I think what they gone. But I heard anything. That was scary scream. I think what their house was smaller.

-run, run, RUN!!!!

-HEY, WHO ARE YOU? ,WHY ARE YOU SCREAMING?

Nobody response....

-run, run, RUN!!!

What was that, that was a new year nightmares of small girl. I saw what she was a big fan of santa. Oh what I can give for this family. I think what I gift .I can know, my necklace. It defending of the monsters. For this girl this will be a good gift. Thank for this family now I can go and explore the city. That was a classic city. All houses was beautiful, they get dressed up by people. But I didn't saw any human, I could see crismas trees and beautiful houses. That was strange, because nobody respond. The lost part of city was bigger. I think what it is only dream. But if this is a dream why I can't wake up.

-hey

-who are you?

-heeeey, who are you?

-[screaming]RUN,RUN LIKE HELL.

-what, respond better.

And then.....it found me.

GLITCH.I ran like hell, ran, ran. And I escaped. I think what more monsters get escaped, from their voids.

-Oh,I know,I will use void explorer, to know where I am.

That was bad news, I was at void #343253,void of karampus. I needed a entredeminsional teleporter, but how do I can find him. My last intent was get it by commander, he comes here when he drop prisoners here. I just need to wait. That wasn long.

-comander

-huh, another dumb. What do you need?

-please get me.

-ok, jump.

I escaped, but it isn't for long....
