# PODCASTS

---

This English language learning podcast series focuses on everyday phrases and slang. What you will hear is the kind of English spoken by real people all the time and will help you to speak more like a native speaker.

<http://www.bbc.co.uk/learningenglish/english/features/the-english-we-speak>

Voice of America is an English language news and information service that provides a series of multi-genre programmes in English. In the audio section there is 1) a weekly global news programme 2) a science documentary strand 3) programmes about the history of America and American cultural life and 4) a series on American English idioms. All the programmes are narrated in English spoken at a slower speed than normal.

Luke is a qualified English language teacher and stand-up comedian who provides an engaging and entertaining podcast series. His intention is to “make you laugh while you learn” and he provides a rich mix of subject material. A quick look at the titles of some of the podcasts reveals such instalments as “Doctor Who Episode – Language Analysis”, “The Prawn Story” and “English Premier League Football”.

<https://teacherluke.co.uk/>

Hone your fine language skills to perfection by taking time out to listen to Splendid Speaking’s intriguing podcasts. They are designed for the advanced language learner who can speak reasonably good English. The podcasts offer a fascinating approach to learning the language. Each lesson features interviews and discussions with non-native English language speakers. The recordings also include expert feedback about their performances.

Podcasts in English.com is a comprehensive English language learning podcast series with programs for beginners, intermediates and upper intermediates. They cover a broad range of topics encompassing nearly every facet of life. Some of the subjects you may hear being discussed are the Winter Olympics, horse riding experiences and Facebook. The podcasts are short, challenging and supported by transcripts, worksheets and vocabulary tasks.

<https://www.podcasts in english.com/pages1/level3.shtml>

## **English Learning for Curious Minds**

<https://www.leonardoenglish.com/podcasts>

Every episode comes with subtitles and an interactive transcript, so you can learn new words and phrases, and not miss a word. (recommended for B1 and B2 students)

## **6 minute English**

<https://www.bbc.co.uk/learn/ingenglish/telugu/features/6-minute-english>

Series of topical discussion and new vocabulary, it includes audio transcription + work on vocabulary
