## Methodology and Objectives

**The Perfect Blend is an interactive workshop aimed at language teachers working in Adult Education. It focusses on how to successfully organize blended language courses for adult learners. The course is taught in English.**

The workshop aims to achieve the following objectives:

- Learn how to reflect on one's own teaching practice and use of digital technology.
- Learn how to use the TPACK-method and/or Stimulated Recall method in order to analyse teaching practice.
- Learn how to define advantages and challenges in blended learning.
- Learn new methods by sharing best practice.
- Reflect on learning outcomes of works.
