Scotland capital, Edinburgh, has the biggest arts festival in the world. It isn't just one festival, It's a collection of festivals. Most of the festivals are in the summer, and visitors come from all over the world. We talked to two teenagers about their favourite festival.

B. Hanna.

I love the Fringe Festival! You can see theatre, comedy, music and dance. There are nearly 3,000 shows in three weeks. Anyone can perform- there's no audition. Last year, I went with my school drama class. We performed every night. It was incredible and we had big audiences! I'm not going to perform this year. I'm just going to watch.

C.Elliot

I like the Book Festival. There are lots of activities to celebrate reading and you can meet famous authors. Last year I met Cathy MacPhail. She's from Scotland, and she writes really exciting books for teenagers. She signed a copy of one of her books for me!
