

STEPS TO ENROL:

1) To enroll in the Spanish courses you must go to the center on September 1, 2026. For the rest of the courses you must go to the center from September 2, 2026.

- On that day you will pick up the enrolment envelope and they will tell you which day you have to go with all the required documentation and filled in.

- Please note that some courses are quickly sold out (Spanish as a Foreign Language, Access to Cycles, English...). For this reason, only the first students to arrive will be able to enrol.

2) Hand in the enrolment envelope on the indicated day with all the required and completed documentation.

In addition to completing all the documents in the enrolment envelope, students must also bring the following documents:

- Photocopy of NIE.

- Two passport-size photographs with your name and surname written on the back.

START OF CLASSES:

- Classes in the Regulated courses: FIPA and ESPA.

Classes for these courses will begin on 14 September. The Friday before, on 11 September, the lists of students admitted to the different courses will be published. Please note that the first day of class will be the presentation, i.e. an introductory class with the group tutor.

- The classes of the Non Regulated courses: Spanish lessons, Access to Formative Cycles, Access to University, Valencian, English, Computer Science and Nationality.

Classes for these courses will start on 21 September. The Friday before, on 18 September, the lists of students admitted to the different courses will be published. Please note that the first day of class will be the presentation, i.e. an introductory class with the group tutor.
