Learning outcomes:

- Improve multilingual skills (especially oral), citizenship and personal social skills. Develop social skills and enhance collaborative work.
- Improve cultural and civic awareness, multilingual, digital and personal social skills. Develop the need to raise awareness about inclusion
- Through environmental workshops and visits to the natural environment of the area, we will generate in students an awareness of appreciation and respect for the environment.
- Learn about some important aspects of the cultural life of Naples. Identify the differences and reflect on them.
- Workshops to reflect on the impact of our technological progress and our consumer habits.
- Improve cultural, social and civic competence. Value cultural heritage and generate an awareness of respect for European heritage.
- Improve cultural, social and civic competence. Value cultural heritage and generate an awareness of respect for European heritage.
- Create greater interrelation with European students. Improve your social skills. Promote inclusion.
