

Staff week

Erasmus+: Building a digital, sustainable and inclusive future

We want to host your Erasmus+ Job shadowing mobility.

We will provide participants with a Job shadowing programme to attend different lessons in our school, as well as thematic workshops. We will also organise school visits and free time activities, providing you with great networking opportunities.

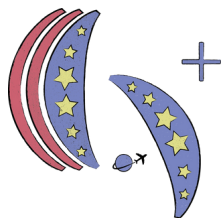

We are not a company, we are just a public school on its way to internationalization. No fees will be charged and no accommodation or meals will be provided; your stay must be funded by your own Erasmus+ project (Scholar or VET).

30 March - 5 April 2025

IES El Grado
Valencia - Spain

Program.

Accomodate your needs to our program

Join the days and activities that suit your Erasmus+ mobility. You can attend the full 7-day program or have a shorter stay. We will sign a tailored learning agreement accordingly and arrange a lessons' observation schedule that matches your professional profile and teaching area.
