

PRINCIPIOS PROGRAMA ERASMUS+ KA131-HED

Principios fundamentales

El programa Erasmus+ desarrolla los Objetivos de Desarrollo Sostenible marcados en la agenda de Naciones Unidas. Los más relacionados con el programa son:

ODS 4: Garantizar una educación de calidad inclusiva y equitativa y promover oportunidades de aprendizaje permanente para todos.-

- Como institución pública de enseñanza, el propio centro ya está inmerso en una educación de calidad inclusiva y equitativa, y de no discriminación por razones de raza, sexo, religión o socioculturales. La labor dentro del programa consiste en continuar con esta línea y aplicar los principios de la carta ECHE en todas sus acciones.

ODS 5: Lograr la igualdad de género y empoderar a todas las mujeres y niñas.

- Todas las acciones realizadas dentro del programa contemplan la igualdad de género, sin discriminación por razón del mismo.
- Se utilizará un lenguaje inclusivo.

ODS 10: Reducir la desigualdad dentro y entre países.-

- Contribuir a la aplicación de los principios de la carta ECHE respecto a la no discriminación y la inclusión. En este sentido, se fomentará la igualdad de oportunidades durante todo el ciclo de actuaciones del programa (difusión-información, selección, supervisión, reconocimiento y difusión) a través de una información transparente, pública y accesible a todos/as, incluyendo las ayudas especiales.

ODS 12: Garantizar patrones de consumo y producción sostenibles.

- Se alentará a los participantes a que desarrollen patrones de consumo sostenibles, como utilizar productos alimenticios propios de cada estación, evitar la cultura del consumismo, evitar el uso de productos procesados, consumir productos más frescos, evitar el consumo de productos de países lejanos, comprar alimentos que no hagan daño a las personas o al medio ambiente, considerar adquirir frutas y verduras de agricultores locales, etc.
- Se promoverá la formación e información en este ámbito mediante la búsqueda y utilización recursos en la zona para que puedan ser aprovechados por los participantes.

ODS 13: Tomar medidas urgentes para combatir el cambio climático y sus impactos.

- Este es un objetivo que depende de pequeñas acciones de todos nosotros, con lo que se sensibilizará acerca de los hábitos que producen un cambio climático y se incitará a que realicen y promuevan hábitos saludables: como realizar un correcto reciclado, reducir el consumo del plástico, hacer uso de medios de transporte que no contaminen, etc.

Before mobility

- Publish and regularly update information on the grading system used and grade distribution tables for all study programmes. Ensure that students receive clear and transparent information on recognition and grade conversion procedures.
- Carry out mobility for the purpose of studying and teaching only within the framework of prior agreements between institutions. These agreements establish the respective roles and responsibilities of the different parties, as well as their commitment to shared quality criteria in the selection, preparation, reception, support and integration of mobile participants.
- Ensure that outgoing mobile participants are well prepared for their activities abroad, including blended mobility, by undertaking activities to achieve the necessary level of linguistic proficiency and develop their intercultural competences.

- Ensure that all ECTS credits gained for learning outcomes satisfactorily achieved during a period of study/training abroad, including during blended mobility are fully and automatically recognised as agreed in the learning agreement and confirmed by the transcript of records/traineeship certificate. They shall be transferred without delay into the student's records, shall be counted towards the student's degree without any additional work or assessment of the student and shall be traceable in the student's transcript of records and the Diploma Supplement.
