A large group of children, likely students, are posing for a group photo on the wooden bleachers of a gymnasium. They are dressed in a variety of costumes, including Star Wars characters like Stormtroopers and Darth Vader, a person in a gold mask, a person in a white mask with a soccer ball pattern, and various other characters and animals. The children are arranged in several rows, with some sitting on the floor in front. In the background, a large display case filled with numerous trophies is visible on the wall, and colorful triangular bunting hangs from the ceiling. A semi-transparent white circle is overlaid on the left side of the image, containing text.
