

IES MARIA MOLINER [PUERTO DE SAGUNTO]

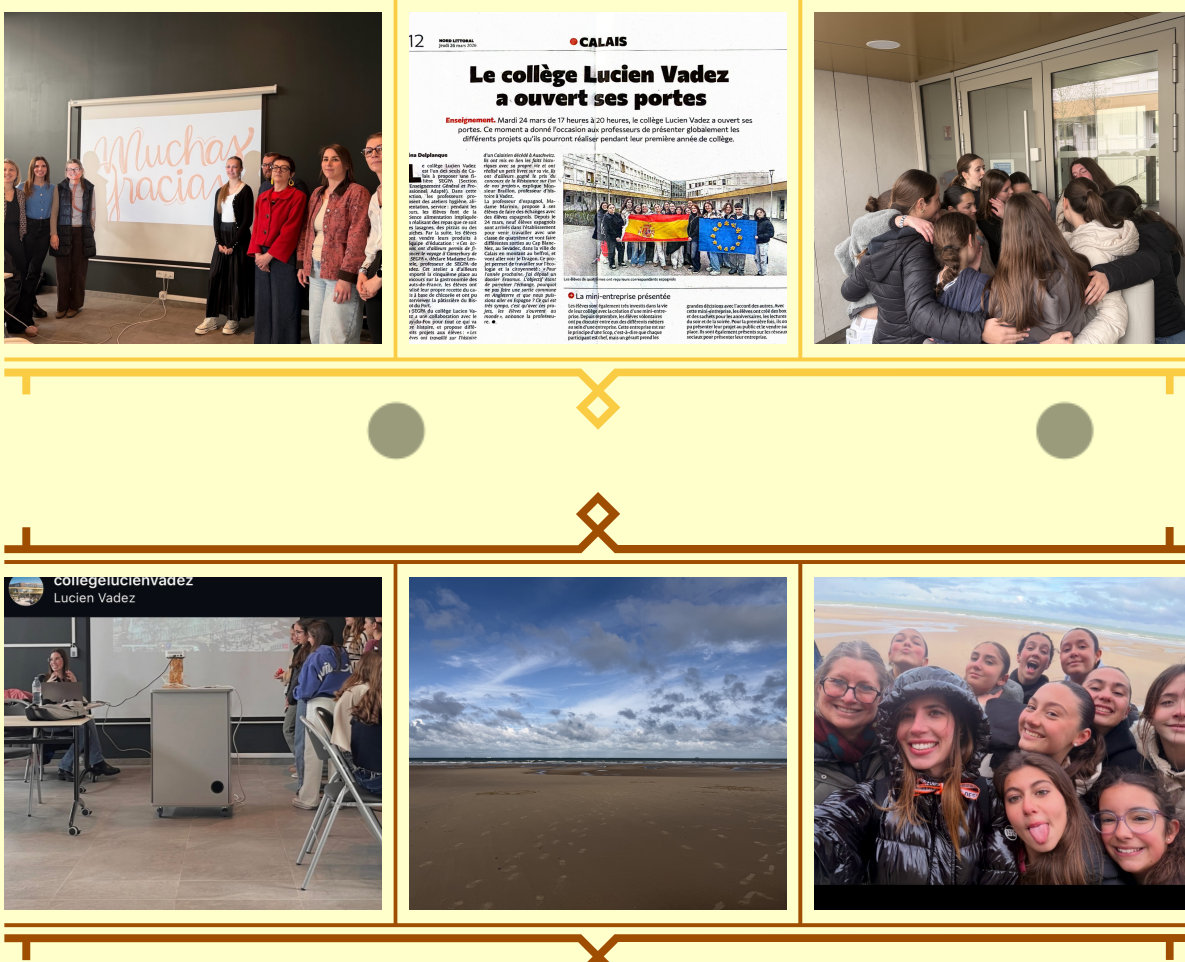

PROJECT NUMBER:
2025-1-ES01-KA121-SCH-000316858

01 DATES

 Sagunto  Calais:
from the 24th
to the 27th March

02 INTRODUCTION

Erasmus+ project between IES María Moliner (Sagunto, Spain) and Collège Lucien Vadez (Calais, FR), with student exchanges held in March and April 2026.

03 OBJECTIVES

- Promote cultural and language exchange.
- Emphasize sustainability and environmental awareness.
- Enhance digital skills using ICT.
- Encourage inclusion and collaborative learning.

04 ACTIVITIES

- Welcome session and ice-breaking activities.
- School tour and collaborative games.
- "Knowledge Market" student workshops.
- Talk with a wildlife rescue expert.
- Radio workshop and mobility journal.
- Sports and team-building activities.
- Field trip to Cap Blanc-Nez.
- Workshop on coastal erosion and environmental protection.
- Visit to a waste sorting and recycling centre.
- Educational farm visit.
- Cultural rally around Calais.
- Final exhibition and presentation of students' projects.

05 OUTCOMES

- Improved communication in foreign languages.
- First-hand experience of other cultures and educational systems.
- Reinforcement of European values: tolerance, cooperation, inclusion.
- Greater student autonomy and personal development.
