

## POTSDAM [MARCH 26]

PROJECT NUMBER:

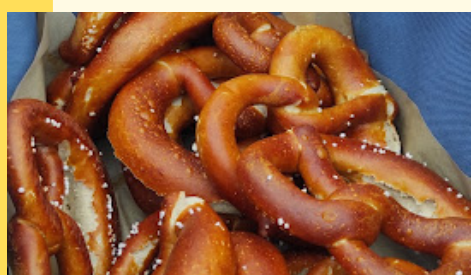

2025-1-ES01-KA121-SCH-000316858

## WHAT DID WE DO?

### Strengthen European identity

Visiting Berlin gave us the opportunity of living in first person the atmosphere of a reunified city, witnessing hot points from a period to reflect on.

### Contribute to sustainable growth

We have prepared our own meals with locally grown products and we learnt to cook local recipes.

### Social cohesion across Europe and beyond

### Drive innovation

We have improved our knowledge in european cultural heritage by means active and participative methodology.

### Promote active citizenship

### Digital Transformation

Dalton gymnasium methodology : create creative learning spaces that give students the opportunity to know their talents, interests and potential.
