# Coaching interpairs for employment

**Project N°** 2019-1-ES01-KA202-064294

**PROJECT presentation**

# PROJECT DETAILS

---

- Title: Coaching Inter-Pairs for employment
- Acronym: CIPE
- Duration: 24 months
- Start date: 01-09-2019
- End date: 31-08-2021

# PARTNERSHIP

---

## PROMOTER

IES Lluís Simarro

## PARTNERS

IES Sant Vicent Ferrer– Spain

Associação Empresarial de Penafiel– Portugal

Colegiul National Unirea– Romania

ITIS Q. SELLA- Italy

Srednja škola Dugo Selo- Croatia

## GENERAL OBJECTIVE

---

The aim of the project is to promote employment for long term unemployed VET students, through an effective use of social media , ICT and through the training of 6 VET students in each participant country that will be called “digital coaches”

## SPECIFIC OBJECTIVES

- Make confident VET students, teachers and trainers on how to use social media and ICT,
- Convocatoria 2019 Turno 1 KA2 - Cooperación para la Innovación y el intercambio de buenas prácticas
- KA202 - Asociaciones Estratégicas de Formación Profesional
- ID del formulario KA202-ABA11E7C Fecha límite (hora de Bruselas) 26 Mar 2019 12:00:00
- ES 44 / 118
- concerning the effective use of them for accessing the labor market
- To enlarge the effective learning community to facilitate collaboration among VET schools, VET
- institutions, policy makers and enterprises to facilitate the matching between offer of labor and
- demand through the use of social media and ICT.
- To use “Coaching” like a non formal methodology of shared learning where coaches will offer
- support, advice and information related on social media and ICT for promoting employment
- To integrate formal, non-formal and informal education, working as digital coaches, the VET
- students will learn in an non-formal way and they will coach the other VET students experimenting
- informal approach.

# ACTIVITY calendar

---

## **A1: PROJECT MANAGEMENT**

Month 1 to 24

## **A2: QUALITY PLAN, MONITORING and EVALUATION**

Month 1 to 24

## **A3: DISSEMINATION**

Month 1 to 24

## **A4: SUSTAINABILITY and FOLLOW-UP**

Month 1 to 24

# ACTIVITY calendar

---

**A5: TO CREATE THE WEB SITE AND SOCIAL PROFILE OF THE PROJECT**

Month 1 to 24

**A6: TO ENLARGE THE LEARNING COMMUNITY**

Month 1 to

**A3: TO CREATE THE "TO CREATE THE "Teachers guide"**

Month 3 to 7

**A4: INTERNATIONAL TRAINING ACTIVITY WITH i-VET TEACHERS AND TRAINERS .**

Month 8 to 12

# ACTIVITY calendar

---

## **A5: STUDENTS BLENDED MOBILITY**

Month 13 to 22

### **A5.1: National Robot Challenge**

Month 13 to 16

### **A5.2: International Robot Challenge**

Month 17 to 22

## **A7: INTERNATIONAL CONFERENCE “International e-entrepreneurship”**

Month 23

# RESULTS

## TANGIBLE RESULTS

### 'Teachers Guide

- **WHO:** All partners
- **WHEN:** Month 1 to 24
- **WHAT:** The guide will be focused on using robots like an innovative tool to enhance students' motivation towards the study of ESTEAM subjects, improve their basic and transversal skills, art design and promote gender equality.
  1. The construction of the robot
  2. Programming the robot
  3. Learning of content based on hands-on experiences
  4. Methodology for teaching ESTEAM in I-VET schools using robots to involve I-VET students in the learning process, to develop transversal skills (i.e., creativity, innovative and critical thinking, problem solving, team working, resilience, self-confidence, etc.), to integrate women and promote gender equality in ESTEAM subjects.
  5. Effective use of robots and transnational cooperation to promote the ESTEAM knowledge

# RESULTS

## TANGIBLE RESULTS

### WEBSITE and SOCIAL PROFILES of the project

- **WHO:** +Associação Empresarial de Penafiel- contributions from all partners
- **WHEN:** Month 1 to 24
- **WHAT:** The project website will contain the following sessions:
  - > Project
  - > Training materials section
  - > News
  - > Dissemination
  - > Training - national and international
    - > Robots challenge
  - > Links to Social Media pages

# RESULTS

## INTANGIBLE RESULTS

### LEARNING COMMUNITY

- **WHO:** All partners
- **WHEN:** Month 1 to 2
- **WHATto** Increase collaboration among I-VET institutions and educational authorities to use the robots in lessons to enable students make their own creations through playful learning experiences applying ESTEAM concepts. Each partner will commit 20 I-VET teachers and trainers , 24 I-VET students,1 public authority

# RESULTS

## TRAINING ACTIVITY FOR TEACHERS

**Mobile Robot devices: building and programming using robotics methodology.**

Each partner will select 5 I-VET TEACHERS or TRAINERS for a sort term join staff training transnational training experience in Biella-Italy.

During the 3 days training experience I- VET teachers and trainers will test the contents of the guide, they will receive training and will participate in demonstrations/study visits and attend workshops.

The training will be oriented to Arduino, electronics and programming and in how to promote the use of robotic methodology and robots in lessons to enable I-VET students to understand ESTEAM challenging subjects, encourage them to develop key and transversal competences and make their own creations through playful learning experiences applying ESTEAM concepts, promoting gender equality and inclusion

# RESULTS

## INTANGIBLE RESULTS

**VET STUDENTS** will participate in two training experiences during the development of the project, the first one in each participant country and the second one in Spain.

Each partner will select 20 students paying particular attention to vulnerable groups, promoting equality between women and men, combating discrimination, promoting tolerance to fight against poverty and social exclusion

# RESULTS

## INTANGIBLE RESULTS

- The first one "National robot challenge: driving, dancing and avoiding obstacles" students will assemble a robot and use programming tools to make the robot drive, avoid obstacles and dance. The winner team will participate in the second training experience
- The second one blended mobility for VET students "International Robots Challenge: driving, dancing and avoiding obstacles" in Spain  
I-VET students will work in teams of 7 I-VET students each one from each participant country. Each partner will select 5 students and 2 teachers

# RESULTS

## INTANGIBLE RESULTS

Final International Dissemination Conference about "Mobile robot devices and ESTEAM concepts in I-VET classrooms" in Romania at the end of the project with the participation of all the partnership, I-VET teachers, I-VET students, public authorities, enterprises, social partners.. for promoting the project results and activities

# RESULTS

## INTANGIBLE RESULTS

4- Creation of a robot club in each country and 2 international robots challenges after the financial period

# Transnational MEETINGS

---

## 2<sup>nd</sup><sup>st</sup> Transnational meeting

- > **Venue:** Biella Italy
- > **Month:** May 2020
- > **Participants:** 2 x partner

## 3<sup>rd</sup> TRANSNATIONAL MEETING

- > **Venue:** Targu Mures – Romania
- > **Month:** September 2020
- > **Participants:** 2 x partner

---

## 4<sup>rd</sup> TRANSNATIONAL MEETING

- > **Venue:** Penafiel- Portugal
- > **Month:** Julio 2021
- > **Participants:** 2 x partner

# Training activity

---

**March 2021 Croatia**  
**6 VET Students, 2 VET teacher**  
**for partner**

# Next deadlines

---

- **20 February 2020** – Learning Community
- **30 May 2020** – Training package:
- **30 January- 2020- Organization of the national trainings with students and entrepreneurs**
- **28 February 2020- Organization of the training activity in Croatia**
- **15 July 2021- Final conference in Portugal**

# DISSEMINATION

## TARGET GROUPS

- VET Teachers and Trainers
- VET learners
- Enterprises
- VET Training Institutions, Networks, NGOs and Trade Unions
- Local, regional and national networks of VET training
- National, regional, local authorities

## TOOLS and MATERIALS

- Project Website
- Project Facebook and social media pages
- Brochure
- Project Logo
- PPT
- International database of potential interested organizations
- International Database of media

# DISSEMINATION

## TASKS

- At least **12 dissemination event** per each partner (total of 84 events)
- **Dissemination report for the interim and final report**

## FINAL CONFERENCE

**WHEN:** at the end of the project

**WHERE:** Portugal

**WHO:** All partners + stakeholders: adults learners, VET education insitutions, companies, public authorities, policy makers, etc.

# MANAGEMENT

## TASKS

- Participation to 4 transnational meetings
- Creation and update of the project website and Dropbox folder to be used as communication platforms among the project partners
- Reporting activities each 6 months on the Project website
- Constant sharing of solutions and circulation of information through e-mails and skype meetings
- Check of the project state of art and of the respecting of the deadlines

# EXPLOITATION

---

## TASKS

Each partner will involve 2 ASSOCIATED PARTNERS for the exploitation of links and project results.

# Sustainability

---

## TASKS

- Promote the project website through the exchange links with institutional and private Portaladdressing similar issues
- Promote the project among public authorities and key policy makers in order to gain institutional
- consensus and promoting the insertion of the project result in policies for VET students.
- Involve new members as associated partners
- Promote the project results in EU dissemination platforms, in VET EU networks, with interested VET training institutions, enterprises, trade unions....

# PARTNER'S ROLES

Spain

Leading MANAGEMENT, COORDINATION and QUALITY EVALUATION

Portugal

Leading the project DISSEMINATION and FINAL CONFERENCE

Romania

Leading SUSTAINABILITY

Croatia

Leading TRAINING ACTIVITY

Italy

Leading WEBSITE AND SOCIAL MEDIA of the project

## DOCUMENTARY EVIDENCE

---

At the return of any Transnational meeting and the training activities , the following documents will be uploaded by every partner in the Dropbox folder:

- Invoice/receipt of Hotel
- Invoice/receipt of Airplane
- Boarding passes
- Participants insurance
- Certificates
- List of signatures
- Minutes that will be written by the hosting organization of the meeting
