## A SOLIDARITY RACE

*By Inaya and Muhammad | January 31, 2024*

On Monday 29, the school students and teachers of CEIP San Luis Gonzaga were on the bus, and, finally, we arrived at the school San Felipe Neri. It was a sunny day. There, we raced for charity with a lot of students, teachers and parents. After that, we were tired, so we ate some delicious food called “coquetes” and it was really good. A girl from San Felipe was the first finisher, Vito from our school who is in Grade 2 was second! Congrats!

It was a good day celebrating World Peace Day (January 30). See you soon friends from San Felipe Neri!

## THE RISE OF THE TURKEYS

*By Muhammad and Inaya | January 17, 2024*

It was a regular Friday. We were doing Maths when I –Muhammad speaking– looked out of the window and saw the unbelievable: A family of six turkeys.

I told my teacher and she answered back: “Why are you shouting for a pigeon?”. I said: “Look well.”, and she was SHOCKED ! We went running outside as the turkeys were gobbling on the rooftop of the church.

Life in Palestine is very hard. Imagine you were in Palestine. People are suffering every day. When planes come, they get very excited because the planes are the ones that send food to Palestine.

Help the people in Palestine .

# MAY GARDEN UPDATE

By Inaya | May 31, 2024

In May, some things happened in our garden.

First, we pulled the weeds out because there were too many.

Secondly, we put sticks next to the tomatoes, so that they grow up, and we also put a stick next to the sunflower. Then, we dug out the potatoes. There were so many!

# ALL ABOUT MINECRAFT

## GAME DESCRIPTION

By Liam | January 30, 2024

Minecraft is a survival multiplayer game made by Mojang. You can go on survival mode and try to beat the game by killing the Ender dragon or go into creative mode, so you could build with your friends or do a 1vs. 1 with your friends like, for example, I try to make a replica of The White House.

### TIPS

1. Don't dig straight down as you will fall in lava 🌋
2. Look for villages, desert temples and safe places to live 🏠
3. Don't go outside at night unless you have armor and tools 🧟🦴🕸

## OPINION

By Miguel | January 30, 2024

🙄👎 I don't like baby zombies because they're really annoying. When you don't have a lot of equipment or tools of stone or wood, they're hard to kill.

👍😊👍 I like that you can download mods.

- The best player in the game, for me, is C.Ronaldo. He is 92 rating and has 5 star skills.

BRAWL STARS is a fun battle game. You can play on any device you want.

There are 79 brawlers in the game, so you can choose any brawler if you have them all.

All my family has an account and we all play it.

I have 66 brawlers in the game. My favorite brawler is Meg. I have 20000 trophies too.

I really enjoy playing the game, and I highly recommend it.

Last week, we had one of the most magical weeks of this academic year: the school cultural week.

On Monday, a **kooky** magician visited our school. He left us impressed with all the **magic** tricks he did with **cards** and **objects**.

On Wednesday, we went all the way up to Alicante's castle, Santa Bárbara, and the **MARQ**: the city's archeological museum. We discovered the ancient history of the **Benacantil** mountain and did A LOT of walking under the **sun**. The cutest minibus took us there, **playing** crazy music. <3

## FC24

By Muhammad | February 29, 2024

This is this month's video game review.

FC24 is a football game. You can play it online in every electronic device. 📺 Get money, open packs, and buy players. 🏆

- I really like FC24 because it's enjoyable. 😊
- The graphics are crazy good like you see in the photo above. 🤖
- It's sort of easy scoring goals.
- It's amazing but be prepared to rage quit. 🤡
- You can do toxic celebrations to make your opponent rage quit.

- My favourite skill is a scissor kick and bicycle kick 🚲
- Different players have different skills and shots.

Street jump had many activities we could do.

For instance:

slides ★★★★★

trampolins ★★★★★

dogeball ★★★★★

(because, in the morning, my shoulders and my foot were hurting). There were big ones and small ones.

football ★★☆☆☆

(but it was for the little ones).

But, overall, everyone enjoyed it.

## SCHOOL TRIP TO STREET JUMP

By Muhammad | March 27, 2024

First, we waited until 9.45 am to go to the bus, where we met the people from Sant Felip Neri. 🏠🚌 When we arrived, everyone was excited. 😊 We changed our socks, and started jumping.

The first thing I did was jumping of a wall onto a trampoline, and finally into the foam pit. There, I tried to do a front flip, and landed on it. Then, one and a half ours later, we were finished. 🙇

We went on the bus and back to school. 🚌 Then, we played at the playground at school. 🏠
