A photograph of two young boys sitting at a table, focused on their project. The boy on the left is wearing a red and white jacket with '7' and 'BOARD' visible. The boy on the right is wearing an orange hoodie with 'SKATEBOARD MAYHEM' printed on it. They are working with cardboard boxes and sticks. The background shows a tiled floor and some cardboard scraps. The image is framed with a black grid pattern and decorative elements: a pink screw-like object in the top left, a red ribbon in the top right, a green screw-like object in the bottom right, and a green ribbon in the bottom left.
