

Welcome to the English Corner! This year, our students went on an incredible journey across the continent without even leaving the school! How? Through **eTwinning**.

eTwinning is a fantastic educational project funded by the European Union. It is a safe online community where schools from different European countries can connect, communicate, and work on collaborative projects.

Our partners were Greece, Romania, Slovakia and Turkey

We practiced our English, made new friends, and learned so many fascinating things about their cultures.

Some of the activities we have done along the year are the following:

PASSPORTS & SUITCASES

You can't travel without luggage! Every student created their very own personalized passport. Then, each grade level worked together to pack a special "cultural suitcase" filled with fun facts, drawings, and information about one of our partner countries.

CHRISTMAS CARDS

We shared the joy by exchanging beautiful, handmade Christmas cards and festive messages with our European friends. It was magical to receive mail from so far away!

A RECIPE BOOK

We collaborated to create a **Digital Recipe Book**. We shared our local food and learned all about the traditional gastronomy of our partner countries. Yummy!

SPAIN

SPANISH OMELETTE

INGREDIENTS:

- 6 eggs
- 2 potatoes
- 10 grams of salt
- 50ml olive oil

DIRECTIONS:

- First, we peel the potatoes.
- Secondly, we chop them in small bits.
- Then, we fry them and add salt.
- Next, we crack the eggs and beat them in a separate bowl.
- Finally, when the potatoes are cooked we add the eggs and fry them together.
