

(Intro)

hey, yeah, are you ready?

(Verse 1)

A is for adventure, we're travelin' far,
B is for bonds, that we make and keep,
C is for culture, we embrace every land,
D is for diversity, it's what makes us grand.
E is for experience, lessons we embrace,
F is for friendships, never ending, they remain.
G is for growth, every day we evolve,
H is for hope, in every place we go,

(Chorus)

We got the A to the Z, that ERASMUS flow,
From every single country, watch how we grow.
Learnin', livin', making history,
That's the ERASMUS life, come and vibe with me!

(Verse 2)

I is for ideas, we share what we know,
J is for journeys, as we rise and we glow.
K is for knowledge, it's what we gain,
L is for language, connecting our brain.
M is for memories, they make us strong,
N is for nations, united, we belong.
O is for opportunity, don't miss it,
P is for people, standing proud, standing tall.

[Chorus]

We got the A to the Z, that ERASMUS flow,
From every single country, watch how we grow.
Learnin', livin', making history,
That's the ERASMUS life, come and vibe with me!

[Verse 3]

Q is for questions, always ready to ask,
R is for respect, in every single task.
S is for sharing, stories we tell,
T is for travel, expanding our sight.
U is for understanding, we seek and we find,
V is for values, in our heart and our mind.
W is for world, which we're learning to see,
X is for that X-factor, in you and in me.

[Chorus]

We got the A to the Z, that ERASMUS flow,
From every single country, watch how we grow.
Learnin', livin', making history,
That's the ERASMUS life, come and vibe with me!

[Verse 4]

Y is for youth, leading the way,
Z is for zeal, in everything we say!
Traveling the world, we do it so well.
Solid connections, we build every day,

ERASMUS is our journey, hand in hand.
In the ERASMUS world, the journey's just begun.
