

ETWINNING

PROJECT:

VIRTUAL TRIP

Schools:

**Viešoji įstaiga Šiaulių universiteto gimnazija
(Lithuania)**

IES Cid Campeador, Valencia (Spain)

During the scholar year 2018/19 we have developed the eTwinning project VIRTUAL TRIP with students of 3rd ESO.

DESCRIPTION OF THE PROJECT

The aim of the project was to raise cultural awareness, using Virtual reality photos. Students have shared photos of their homelands, introduced their schools and traditions and collaborated with other students from another country.

FINAL PRODUCT

The final product of the project was a collection of virtual photos which could be used for educational purposes by other teachers and a Kahoot quiz.

Students have learned how to use Cardboard Camera App, have improved their ICT skills and English language skills.
