

Y3. ARTS AND CRAFTS.

A ROCKET.

TASK 2. With recycled materials that you can find at home, we will make this simple "ROCKET".

TOILET PAPER AND PAPER TOWEL ROLLS

SONG YOUTUBE: [SPACE SONG ROCKET RIDE](#), sung by MARK COLLINS.

MATERIALS:

- Toilet paper roll/ paper towell roll, wáter paintings, paint brush, red or Orange tissue paper (or other kind of paper), cardboard, scissors, glue and aluminum foil. * You can use other materials.

Instructions:

1.Prepare your materials-, an empty toilet paper or paper towell roll, some paint, a paint brush, some red or orange tissue paper, a piece of cardboard, some glue, scissors and a little aluminum foil.

2. Choose a colour and paint the roll.

3. Cut some flames using the tissue paper.

4. Cut some long strips of aluminum foil.

5. Cut a circle out of the cardboard and cut half way into the circle to make a cone.

6. Glue the cone on the end of the rocket. -hold it there a minute or two.

7. Glue the flames on the bottom inside.
Blast off!!!
