## DVD sketch: Does he like mushrooms?

Esta semana vamos a trabajar la comprensión oral. Para ello, os propongo que veáis un vídeo que recrea una situación comunicativa sencilla sobre uno de los temas que hemos estudiado en clase. En concreto, los personajes hablan sobre sus gustos en cuanto a diferentes comidas.

Para poder ver el vídeo, os voy a dar acceso al libro digital. Debéis entrar en el siguiente enlace:

<http://www.macmillan.e-school.es/>

Una vez dentro, tenéis que introducir estas claves.

User name: 19quest537136

Password: tfcfeb

Os aparecerá una pantalla que pone "License Agreement". Pulsad en "Agree" y ya estaréis dentro de vuestro libro digital.

En la parte de abajo, veréis una franja azul que pone "GO" (es el buscador rápido de páginas). Escribid el número 10. Una vez en la página 10, en la parte de abajo veréis que pone Lesson 8. Pinchad sobre el icono de la cámara y ya podéis ver el vídeo.

Es recomendable verlo, al menos, dos veces. Para facilitar la comprensión, os dejo a continuación el diálogo escrito (Script). Cuando acabéis realizad las actividades relacionadas con el video.

Al final, encontraréis también unas actividades adicionales de refuerzo de esta unidad.
