

# Activity 7

## Speaking: What do you like doing in your free time?

Esta semana vamos a trabajar la expresión oral. Para ello, os propongo que veáis un vídeo en el que se representa un diálogo entre dos personajes que hablan sobre sus gustos y los de sus familiares en cuanto a aficiones.

A continuación, os dejo la secuencia de actividades que debéis realizar.

### a) Revision of structures.

I love	}	painting pictures
I like		
I don't like		collecting stickers
I hate		

He/She loves	}	painting pictures
He/She likes		
He/she doesn't like		collecting stickers
He/She hates		

Do you like painting pictures?

Yes, I do.

No, I don't.

Does he/she like collecting stickers?

Yes, he/she does.

No, he/she doesn't.

## b) Watch the video

El enlace que os dejo a continuación os lleva al vídeo. Veréis que hay 3 versiones de la misma conversación. En la primera versión podéis ver y escuchar la conversación entre Ella y Luke. La segunda y tercera versión son una especie de "karaoke". Tenéis sobreimpresionado la parte del diálogo de Luke y de Ella, respectivamente. Os pido que hagáis una "acting out" e interpretéis ambos papeles. Hacedlo tantas veces como sea necesario hasta que os salga perfecto.
