

# Activity 10

## Farm animals

Esta semana vamos a trabajar contenidos relacionados con los animales de granja.

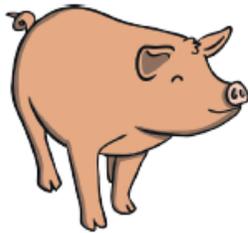

Para empezar, os propongo que vean el siguiente vídeo. El protagonista invita a repetir las expresiones con él. Intentad que lo hagan.

A continuación, encontraréis un tapiz con el vocabulario que vamos a trabajar. Que lo lean.

Finalmente, tenéis las fichas de trabajo. En la primera actividad tienen que rodear la palabra correcta. En el ejercicio 2, tienen que ordenar las letras para formar palabras. En la última actividad hay tres granjas y tres descripciones. Hay que relacionar cada descripción con la imagen correcta.
