CLARA

We are doing a project about animals and we're at the zoo today. The zoo has got lots of different animals. I love the baby animals. They're so sweet.

Estamos haciendo un proyecto sobre animales y hoy estamos en el zoo. El zoo tiene muchos animales diferentes. Me encantan los animales bebé. Son tan dulces.

The pets in the pet area are from different countries and there are some exotic pets too. There are some dangerous spiders in these cages. You can learn about the animals and how to look after them.

Las mascotas en el área de mascotas son de diferentes países y hay también algunas mascotas exóticas. Hay algunas arañas peligrosas en estas jaulas. Puedes aprender sobre los animales y como cuidar de ellas.

The keepers have got interesting jobs. You can help them prepare food for the animals. Some of the food looks horrible.

Los cuidadores del zoo tienen trabajos interesantes. Les puedes ayudar a preparar comida para los animales. Alguna comida tiene un aspecto horrible.

ACTIVITY BOOK

Page 47

1. Read and complete the notes.

I've got a guinea pig. His name is Bert. He's Brown and White. He's got small ears and short legs. Bert lives in a cage. He eats special guinea pig food and he likes carrots and lettuce too. I give him food and fresh water every day. I clean his cage every week. He's very friendly and he doesn't bite.

KIND OF ANIMAL	_____
