Hi Uncle Dave,

I'm writing to you from New York. Jim and I arrived here two days ago. New York is an amazing city! There are so many museums, cafés, department stores and markets. There are people everywhere. We are staying in a small hotel near Central Park. I know many cities have got parks in them, but Central Park is enormous. It has got lakes, a zoo and beautiful gardens, and in the winter there are two ice rinks. I'm sending you a picture of Jim and me in Central Park. In the picture, we're riding horses.

We want to go to the top of the Empire State Building. There are great views of the city from the observation deck on the 86th floor. Once a year, there's a famous race up the Empire State Building. Over 100 participants run up a total of 1,576 steps. Do you want to try it?

Jim and I also want to go to Madame Tussauds Wax Museum because we can "hang out" with our favourite stars: Beyoncé, Leonardo DiCaprio and Johnny Depp. Jim wants me to take photos of him with Miley Cyrus. They've got an *American Idol* studio there, too, and I want to sing for Simon Cowell. He was my favourite judge on the popular US TV programme.

I'm having a great time. See you soon.
