*In the mornings we have breakfast and at midday, we sometimes have some sandwiches for lunch. There's a nice restaurant near our marvellous hotel and the food there was delicious. In the afternoons we walk along the beach, but right now we are buying some souvenirs in a shopping center for our friends. Last Sunday morning it was windy, so we didn't walk at all and we just visited some near local areas. It's an ideal destination for summer time-we were very pleased with our weekend there.*
