In the evenings we always go to pubs and restaurants and right now we are having a delicious black beer at Temple Bar. We never go there in summer because these cities are really crowded.*

*We enjoyed a lot together, of course. Dublin is a funny and beautiful city and has a very good atmosphere. We only had one problem, it was rainy but we were really pleased with our holiday there. It's an ideal destination any time of the year and it isn't expensive.*
