

What you will need:

1 Piece of card or paper

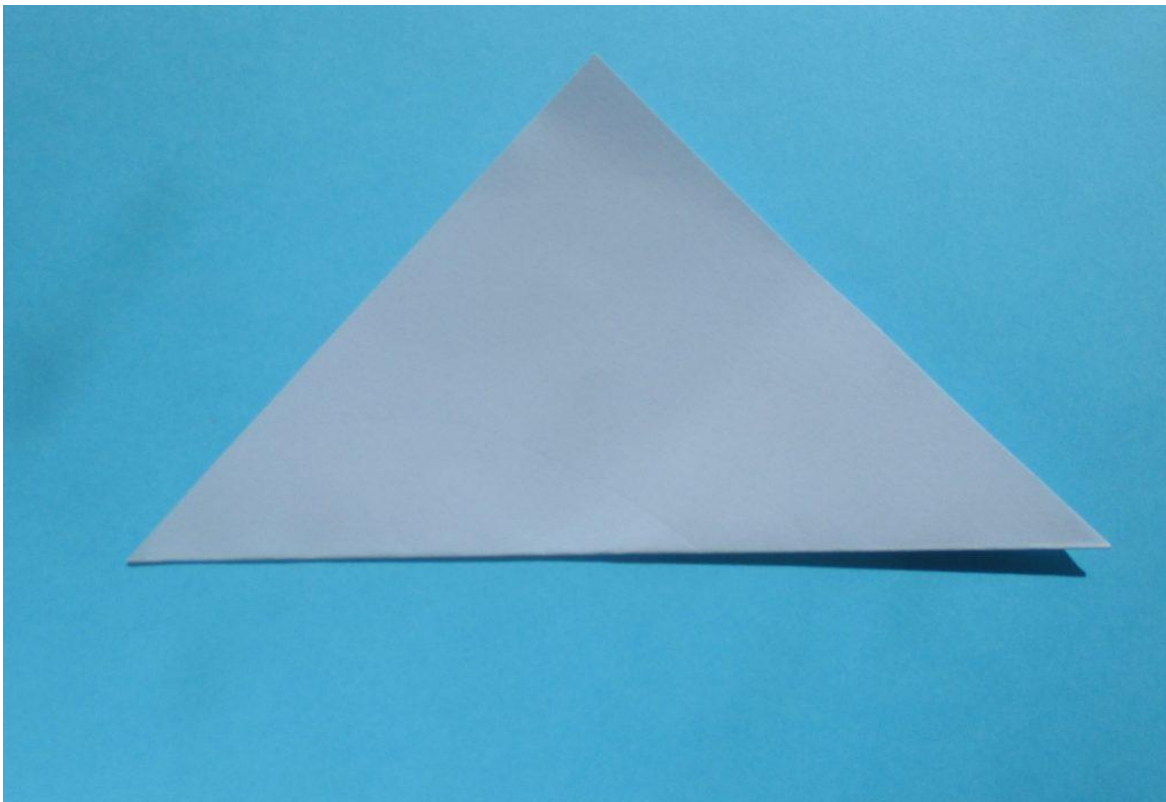

A ruler

Scissors

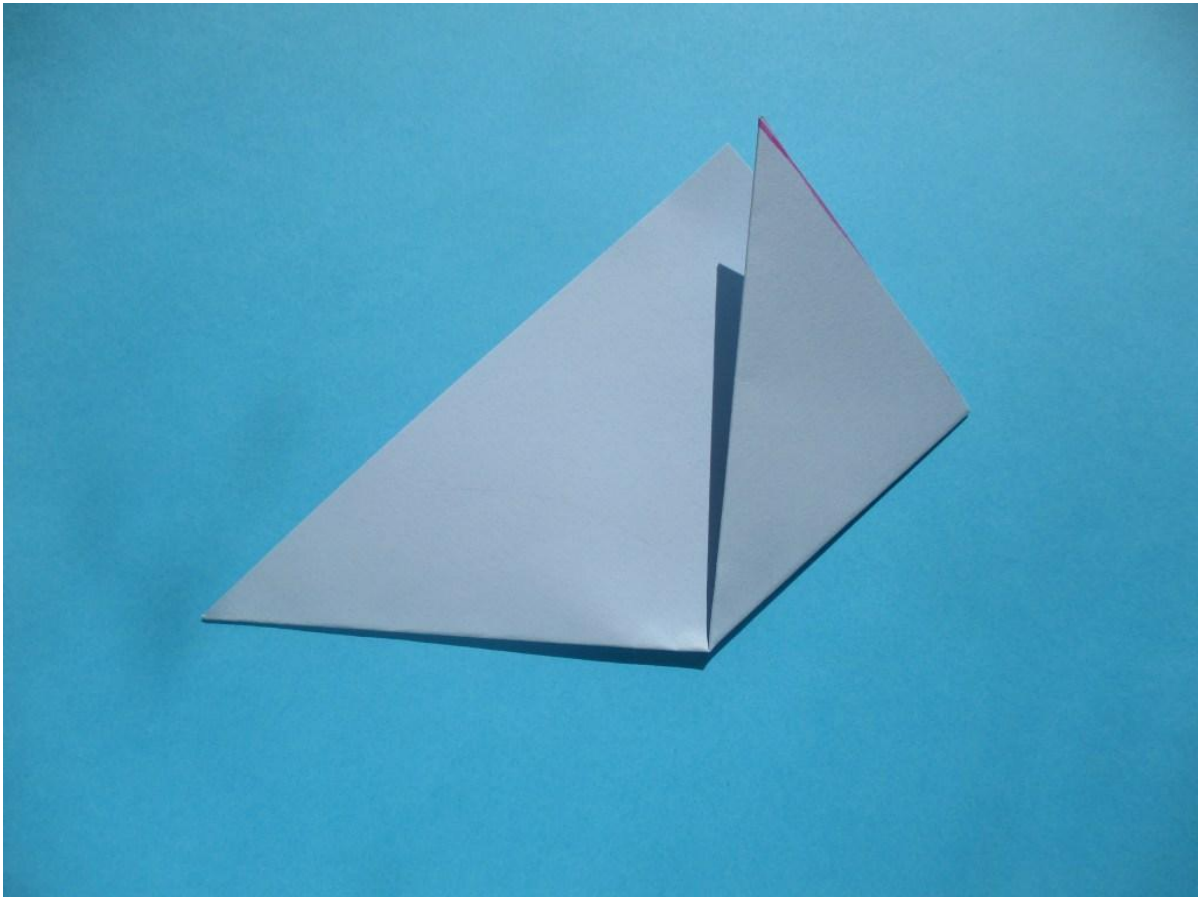

Anything to decorate (we use coloured card and glue)

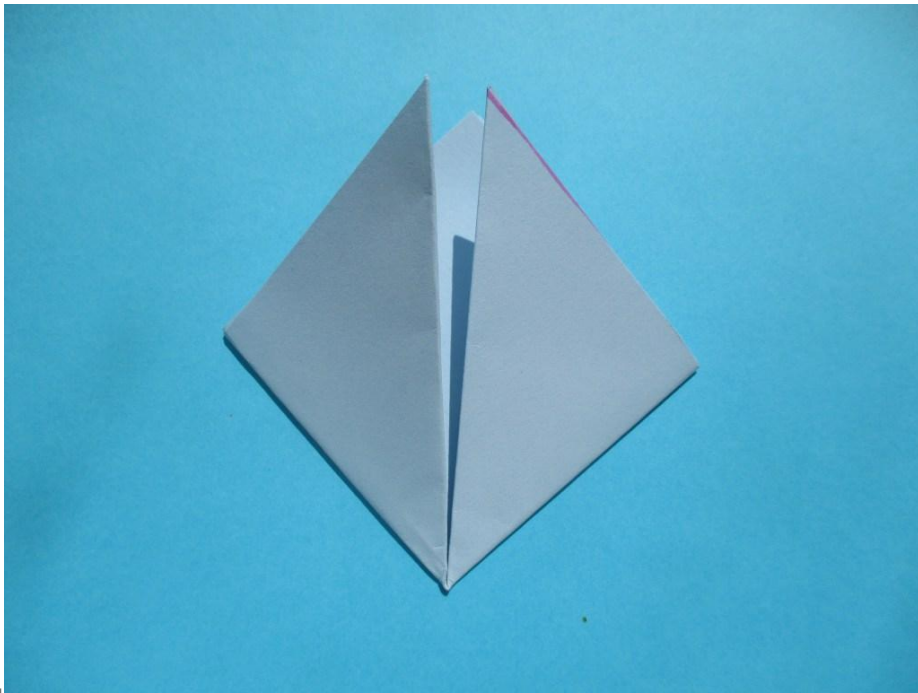

Step 1) Cut a square from your piece of card, you can make 2 bookmarks from 1 A4 sheet

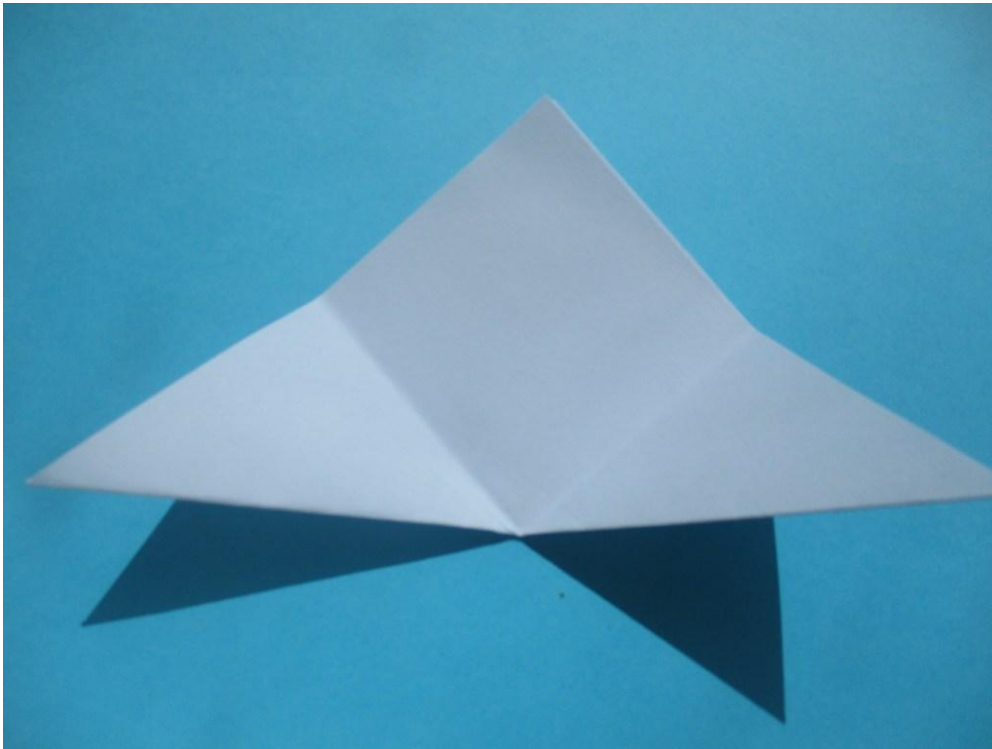

Step 2) fold your square in half to make a triangle

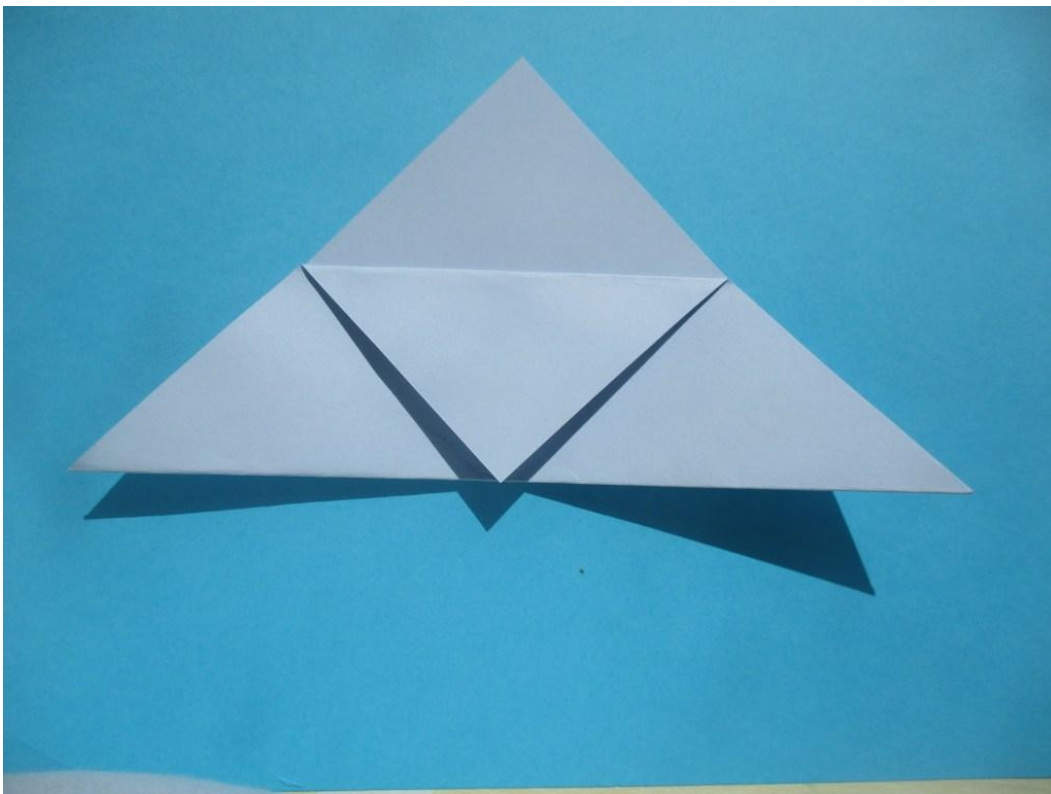

Step 3) take one of the lower points and fold it up to the middle point

Step 4) Repeat step 3 on the other side

Step 5) open your bookmark back out to a triangle

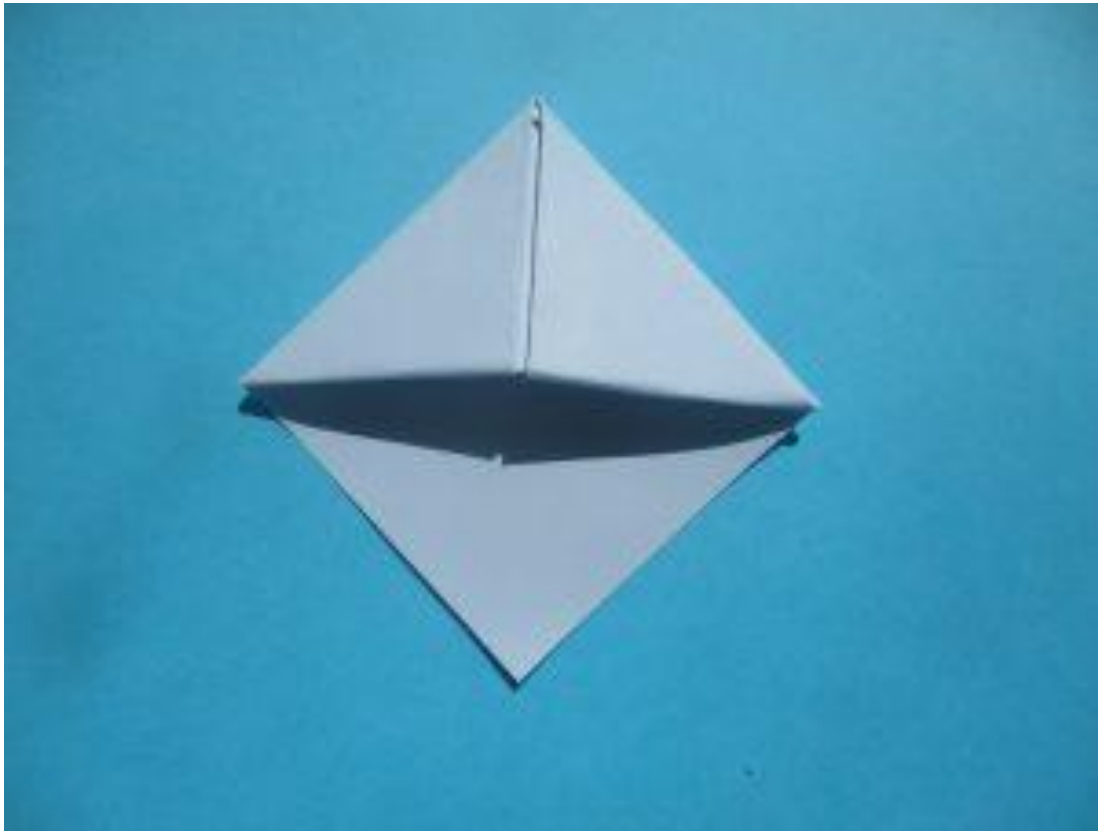

Step 6) on the front layer only, take the top point and fold it to the bottom line. It should fit in the fold line you just created

Step 7) Take a lower corner, fold it upwards and tuck it tightly under the triangle you just made

Step 8) Repeat step 7 on the other side

Step 9) that's it, you're finished! all that's left to do is decorate your bookmark.

We turned this one into a shark, you can see it in the photo above!
